I would be remiss if I did not write about the Wine, Cheese and Chocolate Event we had on May 13, 2016. Country Meadows was our sponsor. Chef David presented the Cheese and Chocolate with a flare. He made brownie-like squares and round truffles and placed a mound of limited white sharp cheese and Gouda bites that flowed down the middle of the table. Tami Randel and Linda Robinson represented Country Meadows with door prizes. Oregon Wine sales came with their various wines for the tasting. Most everyone wore black and white, since it was a Black and White Affair. We thank all who came and I especially thank Nancy and Lon Reed and Rita Girard for their decorations. All had a good time. Pictures show the door prize winners and the winner of the \$100 bottle of wine.

## Removal of Trees in Woodburn Estates

by Jim Taylor, Chairman Architectural Committee

Did you know? Trees in Woodburn Estates on public right of ways (that few feet between the curb and your property line in front and on the sides of corner homes) belong to the city, but homeowners are responsible for their care. Further, no tree in public right of ways may be removed without an approved city permit; but the city of Woodburn does not permit the removal of “street” trees without a compelling reason. If the tree is diseased, represents a safety hazard or is causing damage to curbs, streets or driveways, permission may be given by the city Engineer. However, if approval is given to remove a “street” tree, the city normally requires a new tree to be planted in its place. The city has an extensive list of trees that are or are not approved for public right of ways.

Some trees on private property also fall under strict rules regarding removal. Trees whose diameter exceeds 24 inches at a height of 5 feet are considered “significant”. Significant trees on private property cannot be removed without an approved city permit, and that approval again requires some compelling reason for removal. Trees smaller than 24 inches on private property may be removed without an approved city permit, but still need an approved Architectural Request. Any tree that is removed must be cut down to ground level.

Any questions regarding planting or removal of trees should be referred to the Woodburn Public Works department or to the Architectural Committee who will work with you to ensure compliance with applicable Woodburn Development Ordinances.

32nd Annual Rose-A-Rama

by Dorothy Monnier

What a difference a year makes! Normally the annual Rose-A-Rama is being drenched with rain, but not this year. In spite of a 104 degree sunny day, all 68 Estates Lady golfers and their guests had a fun filled tournament with lots of surprises and gifts. As they came off the golf course with their pink cheeks, clearly over-heated, it did not put a damper on their spirits.

By the time the chicken cordon bleu, salad, red potatoes & strawberry shortcake were served, all participants were looking forward to being a winner of one of the beautiful Raffle Prizes. We had everything from huge baskets containing anything from food to drinks, flowers, 2 golf certificates, facials, massages, jewelry, wine tree with wine, lady golfer weather vane, hanging baskets, \$100, \$75, \$50 raffles, handmade crochet throw, golf bag, golf ball chipper, beautiful potted plants, & glass bird bath.

Needless to say, we are so fortunate to have Woodburn Homes Realty, Legacy Financial, Marquis Physical Therapy and McCully Realty to thank for being our faithful sponsors of this long-standing event. With their financial support, we were able to pay 4 flights of winning teams, each flight had 4 places with an overall Low Gross and Low Net. In addition to the all the winners, every member and their guest received a hand-made glitzy beaded necklace with a beautiful ball marker in the center of the necklace. The Over-all Low Gross Team: Susan Gsell & Patty West; Over-all Low Net Team: Vicki Lambert & Cindy Harrison. The full roster of winners is posted in the golf lounge.

The hard working committee members who spent hours of preparation to make this tournament such a success were: Carol Bettendorff, Dorothy Monnier, Joanne Delnick, Terri Smith, Sharon Hoyt and Judy Scholer. Other volunteers who need to be acknowledged are: Nancy Reed, Rita Girard, Marge Epling, Janice Aiken, Jeanette Johnson, Jeanne Hutchison, Betty Yaws, Mike Delnick, Larry Hoyt, Bob Smith and others I may have missed. Also, Ken Leonard, for taking pictures of all

the teams, and Marjorie Thompson for the beautiful stationery design. Renee Hayes from Country Cottage deserves credit for the delicious luncheon.

It goes without saying, but big thanks to our golf pro Chuck Siver, and his pro shop staff, Jim Worley and Lon Reed. Also, Tim O’Larey and his fantastic crew were mentioned several times regarding the condition of the golf course in making this tournament such a huge success.

We are so blessed to be living in a community that cares about their surroundings and the people who live here.

Donald Hazelnut Festival

by Neil Strathdee

The Fourth Annual Donald Hazelnut Festival will be held on July 9, 2016 from 11 a.m. to 6 p.m. This year’s theme is “God Bless Small Town America”. Community support through sponsorship, donations and volunteerism has been very strong this year. The City of Donald is taken over for the day! New this year is a sanctioned Volkswalk around the City. Up to 300 walkers are expected to attend starting at 8:00 a.m.

A parade along Main Street kicks off at 11:00 a.m. The Parade will feature the Young Marines Honor Guard, Grand Marshal Rod Yoder, Fire Chief for Aurora/Donald, a convoy of restored military vehicles and locally manufactured agricultural machinery by GK Machine. A Classic Car Cruise-In is expected to attract up to 200 vintage, antique and collectible vehicles. Car owners who wish to show their car should visit the website for an entry form. For the kids, Lotta the Clown will be back for face painting and free, fun games with prizes will be available.

A wide variety of food, drinks and snacks will be available in the Food Court. Hazelnut beer will be available. A large tent will provide ample shade. Rob Rainwater, Bootleg Ridge and the Oregon Trail Pitch Pipers will be performing on the main stage. The Skate Park Invitational contest and demonstration, sponsored by Unheard, will have \$1,000 in prize money and the band School of Rock will be performing. The Donald Skate Park is one of the oldest in Oregon.

Other attractions include a wide range of craft and product vendors, BBQ Competition, Hazelwood Boats, metal artwork and more. We have raffles for a \$1,000 Gift Certificate to Rich’s Gun Shop, a two night stay at Neskowin Creek Bear Lodge and a \$1,000 Fishing Charter trip for salmon or sturgeon with A Better Catch. The Festival has grown over the past few years into one of the best in the region. Admission is free, so check the website at donaldhazelnutfestival.com. Use Exit 278 (Aurora/Donald) on I-5 and follow the signs.

Keep Our Swimming Pool and Spa Clean

by Tom Staskiewicz

Have you noticed the little green scrubbers around the edge of the spa? Would you like to know why they are there?

We put those scrubbers out for the members who desire to take care of our spa. They use those scrubbers to remove mascara and dirt build-up around the edge of the spa and pool.

Yes, that’s correct. When mascara and dirt meet hot water and bubbles, off comes some or all of the mascara and dirt and then it sticks to the side of the pool and spa. Sadly the filtering system cannot solve the problem.

However... You can help by taking a hot shower and using soap to remove the mascara and dirt before you go into the pool. Even better, if you are coming to the pool, don’t put your mascara on before you leave the house.

ROOFING

### Coffee Hour June 9th

*by Malena Turner*

If you were not at Coffee Hour on June 9th, you missed an uproarious time. Last year there were nine contestants. This year there were only three, but Pinky Stanella (Stan Hiller), Renaldo the Pregnant Bride (Ralph Kruse) with his “attendant” Arlene Egli, and Cuddles (Ken Leonard) did themselves proud. Each contestant was ushered in with magic music by Doris Kruse.

The crowd went wild as the “girls” paraded through the Coffee Hour crowd while cash, coins, and checks were dropped into their purses. GM Tom Staskiewicz was “propositioned” into collecting donations to pay the contestants to plant a big smooch on his cheeks - the ones on his face! A total of \$1800+ will go to Relay for Life. All the donations are very much appreciated and go toward cancer research. Oh! ...and Mr. Relay for 2016 is Ralph Kruse!

*And from Mr. Relay Coordinator, Becky Butts:* Many thanks to our contestants and our community participation. It was a great success. I must not forget the money raised by our GM Tom Staskiewicz. I am very happy to say that we raised more money than last year for cancer research. Thanks to everyone for your support and your contributions because we all have been or will be affected by this disease.

### Metaphysical Group Meeting

*by Dagmar Dettinger*

Coming up on Wednesday, June 29, the Metaphysical Group will meet in the Blue Room at 10:30. Bring your favorite book but, mostly, bring your happy spirit. Are we enlightened yet? I certainly know for sure that we all feel "infinitely splendid," as Robert TenEyck is fond of saying. And by the way, there is a Summer Solstice Ceremony on Saturday the 25th at the H.O.M.E. Center on 3892 Lancaster Dr. NE, Salem, starting at 7:00-8:00 p.m. (ish). Donations will be given to the H.O.M.E. Center.

### Woodburn Estates Dance and Social Club

*by Bill Coleman, Chairman*

**“Supernaturals At Last Friday Dance”**

Our “Last Friday Dance” has become a wild success in recent weeks and Woodburn Estates Dance and Social Club look forward to the country tunes of “The Supernaturals” coming up Friday, June 24th at 7:30 p.m. Join the fun for a casual evening of dancing and meeting new and old friends.

Then, coming up next month at our “Second Saturday Dance” ... it’s a nostalgic “50’s Party” on July 9th as Woodburn Estates Dance and Social Club celebrates the “Show & Shine” classic car show! The fun starts at 1:00 p.m. near the parking lot as “Billy & the Rockets” entertain with an hour of music for folks attending the car show. Then at 7:30 p.m. the whole party moves indoors for more jumpin’, jivin’, and listenin’ to the “Rocket’s” 50’s inspired rockabilly and do-wop classics.

Your \$8.00 admission gets you into the party, and automatically enters you in the evening’s drawing for a number of lovely door prizes and free snacks provided by Woodburn Homes Realty. Don't forget to take advantage of the chance to win a big cash prize by participating in the evening’s 50/50 raffle. Ask for one of our punch cards and receive a free admission after just five paid admissions.

We’re open to the public, so everyone is welcome to enjoy Oregon’s finest dance floor at Woodburn Estates & Golf auditorium, located at 1776 Country Club Road. Want to sit with your friends? Reserve a table for your special group, by calling Marge at 503-981-1421.

Next up: “The Supernaturals” return for the “Last Friday Dance” on July 29th; then it’s “Crossfire” performing their brand of country hits on August 13th ... Don’t miss a single one!

Woodburn Estates Men's Golf General Meeting Minutes

Woodburn Estates Men's Golf General Meeting  
June 1, 2016

The Meeting was called to order by President Russ Krussow at 10 a.m. in the Dining Hall, followed by the Pledge of Allegiance.

**Roll Call:** A quorum of officers was established. Officers and Committee Chairmen/Members present were: Russ Krussow, Jim Worley, Chuck Johnson, Fred Bourne, Stan Hiller, Clint Hansen, Bob Price, Gene Stiles, Allan Lindberg, and Steve Hobson. General Manager Tom Staskiewicz was also in attendance. A total of 25 members attended the Meeting.

**President’s Report:** President Krussow requested members to volunteer to unload golf bags from vehicles of the non-member female participants at the Rose-A-Rama Golf Tournament the morning of Saturday, June 4th. Those volunteers should be in the parking lot as early as 7 a.m. Members volunteering to do this service were: Fred Bourne, Stan Hiller, Will Abshire, and Dennis Wichert. President Krussow reported that he had received some complaints from participants in the Memorial Day Mixed Tournament relative to the flags used on the greens. Rather than the normal red, white, and blue flags, patriotic white flags were used. The complaints were that it was impossible to know the location of the pin as all flags were the same color. It was recommended that pin placement sheets could be printed in advance and given to each foursome when the patriotic white flags are used in Mixed Tournaments. Members stated that they would still like to have the cart paths marked with paint with red, white, and blue paint to designate the 100 yard, 150 yard, and 200 yard distances to the middle of the greens. The Greens Committee representative, Fred Bourne, stated that this issue would be discussed at their next Meeting.

**Vice President’s Report:** VP Paul Eaton was absent with notice.

**Treasurer’s Report:** Treasurer Jim Worley reported that the balance of the Club funds beginning the month of May were \$2,322.77. During the month, \$677.92 was spent on Club expenses, a deposit was made in the amount of \$845.00, leaving a current balance of \$2,489.85. Jim also reported that we currently have 123 Men’s Golf Club members compared to 117 members at this time last year.

**Secretary’s Report:** Secretary Chuck Johnson had nothing to report.

**Special Report on the Harvest Invitational Golf Tournament:** Before the various Committees provided their reports, Dick Hammond, Co-Chair of this year’s Harvest Invitational Golf Tournament, provided a detailed report on this tournament to be held on the 26th, 27th, and 28th of August. Dick first commended Fred Bourne on his excellent work in chairing several of the past Harvest Invitational Golf Tournaments. He also gave kudos to Stan Hiller, President Krussow and Fred Bourne for their help in preparing for this year’s tournament.

Dick reported that prize money and other awards will continue to be similar to that of the past. There will be 2 Flights and payouts for the 3 low net scores and 3 low gross scores in each flight. There will also be an overall Gross Champion and overall Net Champion. These champions will be paid \$300 each. The three low gross and three net scores will be paid as follows: \$180 for 1st place; \$140 for 2nd place; and \$100 for 3rd place. This will not be a cash payout, but rather in the form of credit in the Pro Shop for select merchandise. In addition, there will be

special prizes awarded via raffle at each event attended relative to the tournament. Scoring in the tournament will be by the Modified Stableford Format. Scores of both partners will be added together as follows: 1 point for a bogey; 2 points for a par; 3 points for a birdie; 4 points for an eagle; 6 points for a double eagle; and 8 points for a hole-in-one. The handicaps allowed will be capped at 29 so that there will not be any double pops on the par three holes. On Sunday, August 28th, there will be a \$5,000 hole-in-one prize on hole number 9 and other prizes awarded for K.P.’s on the other par three holes. There will be other sponsors involved with the potential for other prizes to be awarded. The entry fee for the tournament this year will be \$90 with \$40 of that amount being refunded in the form of a gift certificate to the Pro Shop.

Dick then read the winners in each Flight in last year’s tournament. The Flights this year will be called the “Spieth Division” (lower handicap players) and the “Bubba Division” (higher handicap players). Dick then provided details of the tournament as follows: Friday, August 26th...Practice round, plus an optional Horse Race with a \$20 entry fee...Saturday, August 27th...First day of the tournament, shotgun start of 9 a.m., followed by lunch provided by Gary’s Barbecue on Wheels; at 1 p.m. there will be a putting contest, followed by the Calcutta betting beginning at 3 p.m. (based on Sunday score only, payouts in cash)...Sunday, final round beginning at 9 a.m., followed by lunch provided by Daniel’s Mexican Catering of Eugene, OR; an awards ceremony to be held in the Auditorium will follow the dinner. Dick then concluded his report by stating that he had a list of some 12-15 non-members (mainly OGA golf course members) who would like to pair up with a member to play in this tournament.

COMMITTEE REPORTS:

**OGA:** Chairman Paul Eaton was absent with notice.

**Rules:** Chairman Ron Hansen had nothing to report.

**Sunshine:** Chairman Bob Price reported that he had sent out cards to Mike Dykes, medical issue, and Dick Miller, surgery.

**Tournaments:** President Krussow reported that Salemtowne Golf Course has cancelled the planned Home and Home Play as there were no open dates at their golf course. He then stated that some members had requested an increase in the entry fees to play on Men’s Golf Club Thursday Play, perhaps as much as \$5.00 rather than the \$2.00 now commonly paid. The members present agreed that on occasion an increase in the entry fee could be made, but that the \$2.00 entry fee should remain the rule rather than the exception. Members present also requested that on some of the Men’s Golf Club Thursday Play that a skins game be played, an optional \$1.00 fee (handicap max of 27) and/or “K.P.’s” be used, again an optional \$1.00 fee to enter. President Krussow then announced that the Club’s Handicap Championship Tournament will be held on June 23, 24, and 25.

**Mixed Tournaments:** Chairman Bob Price reported that the next Mixed Tournament will be held on Saturday, June 11th. Sign-up sheets are available in the Pro Shop and entry fee payment must be made at the time of the sign up. Bob also reported that water will be provided in future Mixed Tournaments in addition to the soft drinks.

**Handicap:** Chairman Clint Hansen stated that it would be wise to use the computer to score the Modified Stableford scoring format at the Harvest Invitational Golf Tournament instead of relying on individuals to determine the scoring. Clint stated he was pleased with the results of the Mixed Tournament held on Memorial Day as there was balance between flights. He also encouraged members to sign up for the upcoming Club Handicap Championship Tournament as this is the only tournament wherein anyone participating could win. We need to support and advertise this annual tournament. At this time, the top 16 golfers of the Handicap Tournament will move on to the annual Match Play Tournament. Clint would like to see perhaps as many as 32 golfers move on to the Match Play Tournament dependent on the participation in the Handicap Tournament. Clint then encouraged all golfers who participate in the “money games” held each week to ensure that all eligible scores be posted. When playing any round of golf, “gimme putts” should not be allowed to ensure that accurate scores be posted to reflect true handicaps. Overall, Clint is pleased with the handicap system as only one golfer remains on the “R” list (restricted list). Most golfers placed on the “R” list soon post sufficient scores to equal their restricted handicap number; thus, removal from the “R” list. Clint commended Co-Chair Allan Lindberg for doing a good job in assisting him. Co-Chair Allan Lindberg then informed members that if they ever have any questions regarding their handicap or the handicap system to feel free to ask him or Clint for an answer.

**Membership:** Chairman Stan Hiller reported that he recently played with a new move-in who is also a golfer. At this time, Stan has prepared 212 bag tags, 12 are pending, but we are still some 50 members short of last year. Stan then reported that on June 9th he will be “dressing in drag” to collect donations for the upcoming Relay for Life "Mr. Relay" contest.

**Greens:** Representative Fred Bourne began his report by stating he was disappointed that some members of our Club had chosen to play golf at another golf course rather than attend our Meeting. He then stated that golfers on the course in a drunken state should not be allowed as he recently had a negative experience with some inebriated golfers. Fred then discussed a common area asset, the gazebo. The repair of the gazebo has been in the Association’s budget for the past two years. He mentioned that when he was a member of the past budget committee, \$16,000 was determined to be the cost to repair this valuable asset. He cited a recent report from the House Committee that made it sound like the gazebo is not repairable and could actually be a hazard. If so, Fred stated, the Association should not allow the gazebo to be used as any harm done to a member in using the gazebo could result in a lawsuit being filed against the Association. Fred went on to state that he believes the Board is being conned by contractors who would rather build a new gazebo for \$50,000–\$60,000 rather than settle for \$16,000 to repair this facility. A discussion on this subject ensued with various member comments favoring repair of the gazebo. Ron Aiken, who was a contractor and repaired and built many homes and structures, was adamant that the gazebo could be raised and the poles holding up the gazebo could readily be replaced. So why do we need a new gazebo other than to satisfy contractors who are seeking a bigger payday? Larry Kemper, a member of the House Committee, stated that he would apprise the House Committee of the opinions expressed by Fred, Ron Aiken, and others during our Meeting.

**General Manager’s Report:** GM Tom Staskiewicz responded to the issues raised regarding the gazebo. He stated that the gazebo is not ready to collapse, but contractors who have inspected the gazebo have stated that they do not want the liability of repairing and replacing what they consider to be an unsafe structure. Tom stated that this issue is yet to be decided as repair may still be feasible, but replacing the gazebo in its entirety is still a possibility. Tom then discussed various businesses in our community who would readily sponsor events at our facility as our senior community is a “focused target market”. Tom expressed his view that we could readily generate more revenue by merely marketing our community; thus, reducing member fees and assessments. He then discussed various events that could be sponsored by local businesses.

**OLD BUSINESS:** Secretary Chuck Johnson inquired as to why the signs indicating the location of rest rooms on our golf course had not yet been installed. Greens Committee Representative Fred Bourne responded that indeed the signs have been made and apparently it is not a priority for the maintenance crew to install the signs. Fred will follow up on this issue.

**NEW BUSINESS:** No new business.

**CLOSING COMMENTS:** Clint Hansen inquired as to why the 90 degree rule has not been enforced for the use of golf carts on the course. Clint was informed that our Golf Course Superintendent Tim O’Larey apparently has no problem with golf carts not following the 90 degree rule. Steve Hobson commented negatively on a Mixed Tournament last year that required 9 drives each in a two person modified alternate shot format. The Mixed Tournament Chairman Bob Price reported that this format will no longer be used in the Mixed Tournaments. Allan Lindberg requested that the golf course maintenance crew install new cups on the two greens at our Practice Range so the flags on these greens could remain upright. Larry Kemper inquired as to how we could get more members to attend our Men’s Golf Club Membership Meetings. He proposed that perhaps the annual Men’s Golf Club fees be increased to \$60 with \$20 being refunded if a member attends a minimum of 6 meetings in a calendar year. A discussion resulted wherein it was pointed out that some of our members are still employed and unable to attend and other members are only here for perhaps 8 months each year (Snowbirds) and, thus, it would not be fair to these members to expect them to attend 6 meetings within a calendar year. Clint Hansen did state that members who fail to attend our Membership Meetings certainly have no right to lodge complaints regarding motions passed by members attending said meetings.

**CLOSING:** President Krussow made a motion to adjourn our Meeting, the motion seconded, approved, and the Meeting was adjourned at 11:10 a.m.

Submitted by Chuck Johnson, Secretary – Minutes approved by President Russ Krussow

Notes from Greens Committee Meeting

by Paula Kilgore, Golf Chair

The 90° rule is in effect on the golf course and keep 30 feet away from the greens - *all the way around*. Please help keep our golf course in pristine condition.

Safety issue: Not everyone is using the tunnel lights located at each end of the highway underground tunnel, from Rainier Road to the other side of 214 and vice versa. Please use caution when entering. There is no delay so make sure you have the light before going into the tunnel. Backing out is difficult.

Women’s 9-Hole 4-Person Scramble

by Paula Kilgore, Golf Chair

Entry forms are on the Women's Golf Board in the golf lounge or on the website at [www.WoodburnEstatesGolf.com](http://www.WoodburnEstatesGolf.com). All entries are due by July 15, 2016. Pairings will be posted on July 22, 2016 in the golf lounge. Don't forget this is a shotgun start on Monday, July 25, 2016, at 8:30 a.m. with barbecue lunch to follow, catered by Country Cottage. This is open to all current Woodburn Estates Women's Club Members. Invite a friend from another course to play in your group that day. All they need is a USGA GHIN handicap number. The cost is \$ 25 for members and \$40 for non-members. This price is for Barbecue lunch and cash payback. There will be a 50/50 raffle; Prizes for KP; Long Drive; Closest to the Line drive; and longest putt for both guests and members. Questions please contact Paula Kilgore at 971-242-1166.

Wolfer’s Community Appreciation

by Malena Turner

All I can say is Wow! What a turn out!

Saturday, June 18th, was a first of its kind event and a resounding success. We were hoping we would have 150 – 200 members to show, instead we had over 300 attend, and Wolfer’s was HAPPY!

The free sub sandwiches, chips, cookies and drinks were well received, and why wouldn’t they be? The response to Wolfer’s was tremendous as well. This was a community event with friends getting together to converse and enjoy another Woodburn Estates & Golf event.

Our thanks go to Wolfer’s and to the members who discussed their heating and cooling needs with a great sponsor.

Sponsors, we have a community at Woodburn Estates & Golf that will care about you when they know you care about them! If you are interested in sponsoring give us a call at the office, (503) 982-1776, and ask for Tom.

Seasoning Thyme - Rhubarb: Good for What Ails You

by Evangeline Harris

Rhubarb is a perennial vegetable, though it is generally used as a fruit in desserts and jams. You only eat the stalks, which have a rich tart flavor. Leaves of this plant are poisonous, so be sure that they are not ingested. Rhubarb is easy to grow, but needs cool weather to thrive. Rhubarb - also called sweet-leaved dock or pie plant - is usually thought of as a fruit, but it actually is one of the few perennial vegetables in existence.

General Use: Rhubarb root has properties that make it a highly effective laxative. Its astringent qualities help to improve bowel tone after it has purged the intestines, making it an excellent agent for improving the tone and health of the digestive tract. Its laxative effects make it a valuable aid in the treatment of chronic constipation, hemorrhoids and gastroenteritis. Skin eruptions caused by problems in elimination are also treated with rhubarb root. The western rhubarb root, being milder, is used in treating infant digestive problems, constipation or diarrhea.

Interactions: Due to the possible loss of potassium, rhubarb root should not be taken in combination with cardiac medications, diuretics, other laxatives or cathartics or steroids. Loss of potassium from the system can be decreased by combining the rhubarb root with licorice root. For many new immigrants from England, just hearing the word rhubarb conjures up recollections of seaside boarding houses with land ladies serving up bowls of rhubarb and custard for “afters” and school dinners, which inevitably ended with a tart or crumble tasting of boiled rhubarb. (ugh!).

Although today we think of rhubarb chiefly as a food source, most of the plant's long history has been connected to its medicinal value. It is known for its properties toward good health.

RHUBARB LEMONADE

4-5 cups diced rhubarb, fresh or frozen

1- (6 oz.) can froze lemonade concentrate

3 cups water

¼ to ½ cup sugar (depending on taste)

1 to 2 cups ice

1 (16 oz.) bottle chilled lemon-lime soda

Directions: Put rhubarb, lemonade concentrate, water and sugar into a large, nonreactive saucepan. Heat to simmer over medium-high heat, reduce heat to low, cover and cook until rhubarb is very soft, about 20 minutes. Press mixture through a fine-mesh sieve into a pitcher and discard pulp. Refrigerate until chilled, at least 2 hours. Pour rhubarb mixture over ice in a small punch bowl. Slowly pour in lemon lime soda and serve immediately. Serves 12. Delicious!

## Swimming Pool Rules Are for a Reason

*by Tom Staskiewicz*

As the summer comes upon us increased visits from grandchildren and great-grandchildren will become common place. We ask that you help enforce our pool and spa rules so everyone is safe and can enjoy our amenities. To review:

1.EVERYONE MUST TAKE A SHOWER BEFORE ENTERING THE  
POOL OR SPA;

2. Children under 4 are not allowed in the pool at any time;

3. Those between ages 4 and 18 are allowed in the pool only between the hours of 11 am and 2 pm;

4. Those under 18 are not allowed in the spa at any time;

5. No jumping or diving is allowed in the pool at any time;

6. No diapers in the pool or spa;

7. Persons having open cuts or sores are prohibited from using the pool or spa;

8. Persons having diarrhea within the past 14 days are prohibited from using the

9.EVERYONE MUST TAKE A SHOWER BEFORE ENTERING THE POOL OR SPA; and

10. Scheduled activities have priority in the pool but cannot take over the entire pool.

Let's talk about these rules to help with the understanding.

We restrict use of the spa for two reasons. The first is the health of all involved and there are several pieces to the puzzle. We keep our spa temperature between 101 and 103 degrees. For children, spa water should be no hotter than 95 degrees.

The cooling mechanisms in a child's body are not well developed and they overheat much more quickly. The spa temperature desired by our members is simply too hot for a child. As a general rule if your child does go in a hot tub (not ours) you should have cold water available for them to drink to protect them from overheating. It's also a good idea to jump into the cooler pool water to help cool the body.

As to the times of day restrictions, our pool is primarily for the enjoyment of our members and we reserve the pool for their use.

**When it comes to Roofing... Don't be fooled by what the competition may have to offer!**

**FACT**

Over the past 15 years RoofRite Services has successfully installed over **140+ New Roofs within Woodburn Estates** and we have the statistics to back it up! It has always been our goal to exceed the minimum requirements for roof installation. New roofing contractors come and go, but RoofRite Services has a proven track record and, the reason we install the larger number of roofs can be summed up in three ways:

1. Above Standard Quality Products and Service.
2. Long Term Service and Stability with Proven Track Record.
3. Lifetime Warranty High Wind Algae Resistant Shingles

**SO HAPPY TOGETHER**

Silverton Health is now part of the Legacy Health family

Silverton and Legacy have much in common. Both are non-profit, locally run organizations. And both have a mission to improve the health of the communities they serve. With our shared values of caring for our people, our patients and our communities, it just made sense. We're so happy together...
