Coffee Hour Talent Shows

by Kathy Hiller

It took two Coffee Hours to show the talents of our residents. On October 6, our emcees, Doris (Hillary) Kruse and Ralph (The Donald) Kruse presented the acts. We were entertained by Pete Petroski & Chris Lang who played accordion and fiddle; then Kathy Hiller sang an old camp song; Malena Turner played her accordion; Dave Bolton played guitar and sang an original song that he wrote; the hour ended with Darrell Lanpher & Sharyn Cornett playing their ukuleles and singing.

On October 13, there were more acts, again with Doris & Ralph being the emcees. Bill Anderson sang and played his harmonica; Ken Carr told jokes; Don Hofstetter & Jodee Howard teamed up with songs and music; Don had his own act with one of his cowboy poems; Jodee also sang individually; Doris Kruse sang; Ginger & Ed Yates sang individually and as a duo; Lon Eckdahl told jokes; and Trudy Fowlks dressed and joked as Minnie Pearl.

I can hardly wait for next year and the next Talent Show of the talented folks in our community. Hope all of you can join in next time, you won't want to miss it!

I've Got Your "Birdie"

by Ken Leonard

The best-dressed Halloween House has to be the one near the beginning of Princeton Road. I captured several shots of the front yard, which can be seen easily from the street, but I wanted to share the big black cat in the backyard, facing the golf course. I doubt the cat means the same kind of "birdie" that the golfers know.

Searching for New Editor or Co-Editor

by Kathy Hiller

A s reported previously, I want to step down at the end of 2016 as editor of the newspaper. The job has many details to cover and if no one is willing to take on the entire job, how about being a co-editor? This would allow more flexibility for traveling or other necessary absences.

The editor's job is strictly volunteer, but we would hope to find the best qualified applicants. Applicants with computer skills will be most desired. The articles, photos, and ads are on the computer, and in Dropbox for the publisher to build each edition. Therefore, we are asking for interested people to submit a résumé to the main office, explaining past experience.

Bike Club News

by Dick Trost

It's that time of year. Days are getting shorter and colder so beginning Tuesday, November 1, rides will start at 10:00 a.m. through the winter and into early spring. The time listed for Clubs in the News & Views will be correct again. I was never able to get that changed to 9:00 a.m. during the summer. As always, all are welcome. We only insist that you wear a helmet. Join us, 10:00 a.m. by the flagpole, Tuesday and Thursday; weather permitting!

Chemeketa Center for Learning in Retirement Classes

by Jan Petroski

It's not too late to join Chemeketa Center for Learning in Retirement (CCLR) classes. Next Tuesday, November 1st, the "Thinking Like a Millennial" class will be on the Brooklyn Bridge, a suspension bridge they said couldn't be built. Finished in 1883, it still carries over 150,000 vehicles and pedestrians every day without any structural changes since it opened. Learn about the bridge's construction over a 14 year period and the mysterious caisson disease that affected many workers including the Chief Engineer. What could be making workers lethargic, feel muscle cramps and suffer from headaches? Come to the class and find out.

The other fall term class looks at different cultures that have settled in Oregon. So far we have heard about the Mennonite, German and Russian immigrants to Oregon. There is much more to come.

The Rail Trail at Ankeny Wildlife Refuge South of Salem and a guided tour of Mt Angel Abbey kicked off a new activity for CCLR this fall term. The fourth Tuesday of every month the group will be hiking/walking. So far, it has been great fun, especially lunch at a restaurant afterwards.

Classes are held at the downtown Woodburn Campus at 120 E Lincoln Street each Tuesday of the school year beginning at 9 a.m. Cost is \$35 for the full school year of classes. Just show up!

Apple Island hole

Chuck Johnson at tee#17

by Chuck Johnson

Marlene and I took a trip through the State of Washington in mid-September with a focus on playing a golf course I have always wanted to play, the Apple Tree Golf Course & Resort in Yakima, WA. It is a beautiful, but difficult golf course with an island hole, par three, in the shape of an apple that appears so realistic when viewing from the tee boxes high above the island. The sand trap is in the shape of a leaf off the stem of the apple and the walking path to reach the green appears to be the shape of a stem of the apple.

Anyway to make a long story short, I had Marlene take a picture of the "apple island hole" and a picture of me standing by the tee box sign for the hole which was the 17th hole. The course has four tee boxes, the back tees playing to just under 7,000 yards for the course. I played the "Senior Tees" which were still longer than our golf course, some 6,000 yards. I teed off from the Senior Tee box on this island hole, some 118 yards, hit a solid 8 iron, lost the ball in the sun, but heard a thump which verified to me that I had hit the green. Marlene then hit from her tee box, her ball landing on to the front of the green which we readily saw. We then drove our cart around to the back of the island and walked across the foot bridge which was the stem of the apple. As we approached the green, we could not see my ball. I checked the sand trap at the back of the island, but my ball was not there. We then approached the flag and I saw a ball pitch mark directly in front of the hole and was happily shocked and surprised to find my ball in the hole! My second hole-in-one in 33 years of serious golf! Marlene witnessed the hole-in-one as did two men golfers who were playing right behind us.

When we completed the round (the hole-in-one made it possible for me to shoot an 84), I reported the hole-in-one to the Pro Shop, verified by Marlene. They took all my info as to name, club used, etc. and stated that my name would be added to the plaque in the entrance into the Pro Shop. Later, we looked at the hole-in-one plaques as they have a separate plaque for each of their four par threes. We noted that my hole-in-one on the island hole was the first hole-in-one on that hole in over two years.

St. Monica's Circle

by Ryllis Linday

Our October 3 meeting began at 10 a.m. with Rita Girard taking Becky's place because Becky was called away to another meeting. Rita led the Pledge of Allegiance and said prayers. Toni Perry read the secretary's minutes and they were approved as read. Barbara Campbell was absent so there was no treasurer's report. We were pleased to see Katy Taylor back with us.

Gertrude Rees, in charge of linens, announced that she and Becky would do them in October. November linens would be the task for Barbara Campbell and Rita Girard. December would be Pauline Dionne and Rita Girard.

Betty Judevine announced that the only birthday in October was Rita's on the 22nd.

Becky returned to our meeting and took over from Rita. She thanked the ladies for helping at Rubis Hall, serving refreshments and rolls.

A special birthday party for Gertrude Rees will be held on her 100th birthday, November 20th at 3 p.m. More later.

Our table at the November 19 Craft Fair will be setup at 6:30 p.m. on Friday, November 18. Toni Perry will help Barbara. On Saturday, Toni & Katy will man our table from 7 a.m. to 11 a.m.; then Rita from 11 a.m. to 1 p.m.; new member Pat Sepich 1 p.m. to 3 p.m.; Katy & Toni 3 p.m. to close. Anyone may come and help.

The meeting was adjourned and members took their chairs and retired for lunch. As usual, Rita did an excellent job of decorating the tables with pumpkins and flowers. She also did all of the baking for the day. Lunch was ham & Swiss cheese quiche, lime Jell-O salad, fruit salad, blueberry muffin, lemon cake and lemon bars. It was wonderful.

The ladies cleared the tables, put the chairs away, then it was time to say good-bye until our next meeting on November 7 at 10 a.m. in the Dining Hall. Please feel free to join us anytime.

Men's Golf General Meeting

Woodburn Estates Men's Golf Membership Meeting October 5, 2016

The Meeting was called to order by President Russ Krussow at 10 a.m. in the Dining Hall, followed by the Pledge of Allegiance.

Roll Call: A quorum of officers was established. Officers and Committee Chairmen present were: Russ Krussow, Paul Eaton, Jim Worley, Chuck Johnson, Ron Hansen, Clint Hansen, Stan Hiller, Bob Price, Allan Lindberg, Fred Bourne, and Gene Stiles. A total of 23 members attended the Meeting.

President's Report: President Krussow announced that our Men's Golf Club Annual Meeting will be held next month, November 2, 2016. At the Annual Meeting, officers for 2017 will be elected, either by a majority vote of the members present or by acclamation if there is only one nominee for an officer position. Will Abshere is the Nominating Committee Chairman and will be seeking two volunteers to serve on his committee. It was noted that nominations from the floor would be allowed at the Annual Meeting. All officer positions need to be filled as the current officers are not seeking re-election. The Secretary will be appointed by and serves as directed by the new President. Will Abshere briefly led a discussion regarding the need to amend our Bylaws, stating that he would later be making a motion regarding our Annual Meeting. President Krussow then briefly discussed the following matters: the past President pictures will be taken down on October 12th with only the past 10 President's pictures displayed in the Golf Lounge...proper etiquette on the golf course with comments by Clint Hansen, Allan Lindberg, and Larry Kemper...the local leaf rule and preferred lie rule will go into effect today, allowing the ball to be lifted, cleaned, and replaced within 6 inches of its original position. Jim Worley will ensure that these rules are posted in the Pro Shop.

Vice President's Report: VP Paul Eaton had nothing to report. He noted that his comments regarding the OGA will be reported under the Committee Reports.

Treasurer's Report: Treasurer Jim Worley reported that the Club's funds at the beginning of the month totaled \$2,662.22. The Club provided \$162 to the prize fund for the Turkey Shoot, leaving a current balance of \$2,500.22. Jim then reported that our membership for the current year is 145 members, compared to 144 members at this time last year.

Secretary's Report: Secretary Chuck Johnson had nothing to report. **COMMITTEE REPORTS:**

OGA: Chairman Paul Eaton reported that the OGA continues to actively market the 142 courses within the OGA. Paul reported that there are several excellent "stay and play" offers as found on the OGA Website, including such offers at the Black Butte and Emerald Valley Golf Courses. The OGA is concerned about the declining number of golfers; thus, their active marketing program.

Director's Report: Ron Hansen stated that there are at least 5 new Associate Members as we continue to add Associate Members as other golf courses have substantially increased their annual dues. Ron stated that the new Associate Members have been encouraged to join in the money games that are held most days during the week except for Thursdays which are set aside as the Men's Golf Club Play Days.

Rules: Chairman Ron Hansen posed a question to the members present regarding dislodging a player's ball during a search for said ball. Ron reported that he understood that if the player accidently moves his ball during the search, he incurs a penalty, whereas if anyone else looking for the ball moves the ball, no penalty is incurred. Handicap Chairman Clint Hansen questioned whether a penalty would be incurred in this case and recommended that further research be done as to this rule.

Handicap: Chairman Clint Hansen discussed the immovable obstruction rule, stating that a free drop is allowed if the immovable object interferes with the stance or swing of the golfer. However, relief is not granted if the immovable object interferes with the line of flight of the intended shot. Clint then stated that during Men's Golf Club Play on Thursday when there is a team format (two person or four person format), handicaps of all participants will be capped at 36. A discussion then ensued regarding the use of the Winter Trend. Bob Price made a motion that the Winter Trend be eliminated as to our Men's Golf Club, motion seconded, and passed unanimously.

Handicap: Co-Chair Allan Lindberg discussed the Men's Golf Club Handicap Committee, focusing on the responsibilities of the committee. Allan stated that recently the Ladies Golf Club sent several ladies to the OGA to be certified to do handicap work. Allan also stated that member Ron Sartin had taken it upon himself to become certified without authorization or consent of the Men's Golf Club President. Ron Sartin then commented that he had discussed certification with Chairman Clint Hansen in the past prior to Allan becoming the Co-Chair of the Handicap Committee. President Krussow then reiterated that the Handicap Chairman and/or Co-Chairman are appointed by and serve at the direction and pleasure of the President. Dick DeFerrari then inquired as to if the current Handicap Committee conducts audits regarding handicap postings. Both Chairman Hansen and Co-Chair Lindberg confirmed that such audits are conducted by the Handicap Committee.

Sunshine: Chairman Bob Price reported that in September he sent a Sympathy Card to the widow of Dick Koessel and a Get Well Card to Larry Holland. Bob also reported that John Detwiler is currently having a medical issue that Bob will follow up on.

Membership: Chairman Stan Hiller stated that we need to continue to market our golf course as the golfers paying an annual fee continues to decrease. Golfers paying green fees as they play continue to increase and Jim Worley, who also works in the Pro Shop, reported that total rounds played in 2016 have increased with a total of 18,000 rounds played thus far in 2016.

Tournaments: President Krussow reported that due to the implementation of the clean ball rule most of our Men's Golf Club Thursday Play will involve formats such as scrambles where an individual score will not be posted. He reiterated that the current pay outs for low net scores in each flight and overall low gross scores will continue as in the past as to our Thursday Play. President Krussow reported that the time and date of our Annual Meeting will be published in the *News & Views* and posted in the Pro Shop in an effort to maximize our membership attendance at this important annual meeting.

Greens: Representative Fred Bourne stated that he had nothing to report. Paul Eaton asked Fred to follow up on why the greens were not sanded enough to fill the holes due to the aeration of the greens. Fred stated that he will follow up on this question at the next Greens Committee Meeting to be held next Monday, October 10th.

UNFINISHED BUSINESS: Nothing to report.

NEW BUSINESS: Will Abshere made a motion that the Annual Meeting of our Club be changed from the first Wednesday of November to the first Wednesday of October each year. This will allow for more Club members to be present as some of our members head south in mid-October each year. Jim Worley seconded the motion and following discussion, the motion was passed unanimously. This motion will require an amendment to our current Constitution and Bylaws. A committee will be formed to ensure that our Constitution and Bylaws are amended to reflect this and other changes that are needed.

CLOSING COMMENTS:

Allan Lindberg stated that on Friday, October 14th, there will be a Vendor's Fair held at our facility from 1-4 p.m. Allan suggested that the Men's Golf Club set up a table at this event to promote our golf course and Men's Golf Club. Several members volunteered to man the table at this event. Fred Bourne stated that a new member had a question as to how many scores need to be posted to establish a handicap. It was pointed out that the new member would have to become an OGA member, paying the established fee, and it would be wise to hold the scores of rounds played this late in the year and then pay the fee and post the scores in 2017. President Krussow reiterated the need for our members to become involved in our Club, either as an officer, a Committee Chairman, or Committee Member. Larry Kemper inquired as to how many nominees or candidates for an officer position for 2017 are known to our Nominating Committee Chairman Will Abshere. Will reported that at this time he is aware of two members who will seek an officer position.

Fred Bourne reported that Paula Kilgore is the current Golf Chairperson and in charge of the Greens Committee. However, with the upcoming election of new Board Directors, this may change; thus, the Greens Committee does not anticipate any major activity for the remainder of the year. Allan Lindberg reported on the Sundowners, a group of coed golfers that play each Monday during the late afternoon. Allan stated that some 65 golfers participated during 2016 and that 30 participants attended the annual dinner at the close of the season. Allan also reported that our GM Tom Staskiewicz continues to actively pursue other courses to join the Oregon Trail Program. Some courses in the program offer a reduced rate if a golfer plays a second round, an incentive that would not be a bad idea for our golf course to offer. Golf courses participating in the Oregon Trail Program can be found on the Oregon Trail Program Website and also on our own website.

CLOSING: President Krussow made a motion to adjourn our Meeting, the motion seconded, approved, and the Meeting was adjourned at 11:20 a.m.

Submitted by Chuck Johnson, Secretary – Minutes approved by President Russ Krussow

Congratulations Lady Putters

by Mickey Harrison & Gwen Egan

On Monday, September 26th, the Lady Putters ended their 2016 season with a final day of putting, followed by lunch in the dining hall. Country Cottage prepared a delicious lunch of Lasagna, tossed salad, and garlic bread, followed by ice cream and a pumpkin cookie for dessert.

Acknowledgements and Awards were presented: The annual Golden Putter Award for the most "Holes-in-one" this season was presented by Golf Pro Chuck Siver to Margie Fravel with 24. She was last year's winner also, followed closely by Maxine Horton with 21. As soon as Margie's name is engraved on the award, it will be on display on the wall in the ladies lounge. Congratulations, Margie!

Tim O'Larey, our Golf Course Superintendent, did not join us for lunch, but did stop by to accept our check for \$1000 as an expression of our appreciation for keeping our putting green in such good shape and changing the locations of the cups frequently so the ladies who set up the course can make it challenging. Joy Brown, Sheila Hawn, and Marilyn Dykes deserve our thanks for their superb efforts in accomplishing a weekly challenge for all the Lady Putters.

And so our fun and successful 11th season has come to an end, but we invite any lady who wants to have a good time and a lot of camaraderie for an hour or so on Monday mornings, to put us on your calendar. Your first time is free! We'll be back on May 8, 2017 and look forward to seeing old and new friends.

Love and Respect Is the Only Answer

by Walt Trandum, Wheeler, Oregon

I guess I was selected to be one of those lucky persons who were born into a family that spent their time being friendly and respectful for other people. My dad was a salesman and never met a person he didn't like. My mother was the first one on a new neighbor's porch with a jar of jam or a fresh baked pie. Dad didn't care if a stranger was a potential customer, he always had a cheerful greeting or remark. Once in a while he would meet a grouch and he would usually get them to share a smile about something. My three brothers and I ended with those same qualities and carried them on into our own lives and families.

Dad would often come home and tell us the details of the sale that he either made or was going to make and it always included some nice thing the other person did or said. Some of those were during the depression and the tough years of the World War that raged during the 1940's. I have his appointment book that contains the name address and phone number of every one that he met. Many of those listed were regular customers who bought new cars every two or three years. He even noted that they wanted both radios and heaters which were the only luxury items available besides seat covers. The second owners were usually the users of those pristine seats.

I know that we all grew up with our own role models but I wonder about those who came from broken homes with negligent or abusive parents. No wonder there are gangs of young ruffians running in the streets all hours of the day. I actually blame the parents for most of the mayhem. Way back when I was a kid there were problems in Seattle in most parts of the city having what was gang related conflicts. Some of the town's leaders decided that maybe those kids didn't have a place to go or enough to do when not in school. That was the start of a Boy's Club organization with branches in various districts. Along with a club house in some areas they started a Boy's Club football league. Volunteer coaches came from all walks of life and there was plenty of used equipment in various locker rooms around the city. The pads and helmets were not much to look at but they did help the reduction of bruises that come with contact sports.

I was one of those kids who turned out for football and being a very small lineman, I took my share of pounding. Our team wasn't very good; in that the first year we failed to score a touchdown. The next year we won half of our games and the third year we played in and won the championship. We even played in

the civic stadium against a team from Canada and managed to beat them as well. Many of those guys I played football with became lifelong friends.

From being in a situation where gang warfare could be happening, many young men and women found a place where they could learn the rudiments of good manners and playing fair. There are many kinds of youth organizations that will shape the lives of the participants. A few volunteers can make a big difference.

We are witnessing a new low in the political world and I wonder what affect it will have on the young people who are probably sick of what they see happening. The best we can do is get them engaged in some work to help make lives better for those who may be in dire physical or mental shape. A kind word can often be the best thing that a suffering person can receive. Certainly we cannot condone much of what is being discussed and the best recourse is that old adage "Consider the source". Look for a good cause and get on with your own life with friends who share your cheerful outlook on life. Show respect and love thy neighbor!

Pet Alerts

by Diana Lindberg

A friend posted on Facebook that they are looking for their two cats after firemen came into their home looking for survivors after a fire. This is a good reminder to put up Pet Alerts for emergency personnel, or family members, who may come to your home. You may buy Pet Alert signs or stickers online and probably in any large pet store, or make one yourself.

Post this information in your front window. A sample might be as follows: **PET ALERT - Please save our pet(s) – 1 dog and 1 cat.** You may want to put more information on your refrigerator or message board, such as their names and vet, along with an emergency contact for you and your pets. None of us need an added worry about a lost pet, and where they are and if they are safe.

New Director at Woodburn Senior Center

Submitted by Don Judson

Donna Bates, a Woodburn High School graduate, will be the new Woodburn Senior Center Director beginning October 1, Board President Don Judson announced today.

"We are excited that someone with Donna's extensive background in senior services is joining our team," said Judson. "Her primary goal is to 'Grow the Center' by adding more activities and programs, better publicizing our Center through various media and social networking, and increasing our memberships.

"For the last 35 years I have been working with seniors to reach this very position," said Bates, "I anticipate great changes while building on Woodburn Senior Center's first year success. The plan is to increase membership, weekly attendance and add a variety of new activities and fundraisers, which will lead the center to greater financial stability and hopefully a home of our very own.

The Center is open Monday, Wednesday, and Thursday from 10 a.m. to 3 p.m. at 700 N. Cascade Drive inside the Woodburn United Methodist Church (although not a church program). People are encouraged to become members at a suggested minimum of \$10 per year, for 50+ individuals, which allows for discounts with some activities and events.

The Center's vision is to "provide a safe, attractive place for adults to socialize and engage in meaningful activities that will enhance and enrich their lives." The Center is managed by its volunteer board of directors: Don Judson, Ellen Bandelow, Chris Lopez, Ed Gonzalez, Beverlee Koutny, Betty Beal, Sharon Corning, Sharyn Cornett, and Nancy Kirksey. For more information stop by the Center during its open hours, email us at woodburnseniorcenter@gmail.com, or call Don Judson at 503-982-8617.

Senior Center Fun Seekers: October 10th-14th

by Donna Bates, Director

Hello everyone, this last week started a bit slow. We had two strong young gentleman from the Latter Day Saints church join us to move tables on Tuesday. Thank you Elder Combs and Elder Smith. That made it so much easier. But when we had our birthday party and Senior Faire it went out with a bang!

I believe the Faire was a huge Success. First and foremost let's give Don Judson a hand for getting all the vendors lined up. That was a feat in itself. After that it was smooth sailing. Thank you everyone who played a part in that success. We had wonderful vendors sharing their wealth of knowledge on resources. Judy did a great Tai Chi demo, and Steve Arndt's presentation left everyone talking when they came out. The lunch from Emerald Gardens fit the bill and the cakes were delicious from Country Meadows! I guess the two bakers had a bet over which cake was the best. From all appearances it looked like the Lemon Divine Cake (not sure if that's what it was, but fits the taste) disappeared quicker. The chocolate cake was very good though. There was plenty left for the Bingo players on Thursday.

On Friday the 14th, I attended the Woodburn Estates & Golf Vendor Fair. It was fantastic. I met many people and hope to have a few new activities coming soon from those meetings. Chris Lopez joined me and we manned the Halloween themed table. As a table prize drawing, I brought one of Taine Rues beautifully decorated Halloween bags with a nice spice pumpkin candle in it for the season. There were probably 20 people that stopped by and picked up a calendar and visited. There may be 4 new volunteers! It was great exposure for the center. I also received another invite from Tom Staskiewicz at Woodburn Estates to come back for their coffee hour on a Thursday and have a resource table about the Senior Center. The more exposure the better.

Announcements:

- Beginning Spanish starts October 31st from 1-3 every Monday. Members will pay \$3.00 for each class and non-members will pay \$4.00. The instructor asks that you bring a notebook and a pen. Así que venga aprender español en el Centro de Mayores! (So come learn Spanish in the Senior Center!)
- Might put this on your calendars. On November 10th the Senior Center will host a presentation from Heartwood Memory Care. It is a Lunch & Learn. The presenters will be Advanced Hearing, who will provide free hearing screens and there will also be a guest speaker talking on Dementia. So come have some lunch and HEAR what's going on.

Each Monday, Wednesday, and Friday, 15-20 men and women meet in the Auditorium for a Yoga class. Our 2 instructors, Barbara Cox and Gloria Ellis, lead us in gentle Yoga poses. They stress to us the importance of only doing what we are capable of, as our bodies are all different. There are no age restrictions, and presently we have two 83 year olds. We also have participants who use a chair for some of their moves.

We invite you to come and check out this class on a trial basis. There are mats for you to borrow. Some attend the class at the suggestion of their physicians to help with balance and to become more flexible. We also learn breathing, meditation and relaxing techniques. Check the Activity Calendar for times. Namaste!

Overgrown Property Clean Up

After First Day of Cleanup

by Becky Butts

After many months of corresponding with the mortgage company to clean and trim the foliage on the property, which had many complaints about the yard, we were given permission to enter the property. I reached out to twelve people to help trim, cut, and haul away the yard debris. Why would we work so hard to clean up this property? Because it was a fire hazard, endangering the neighbors.

Thanks to the crew for a great job on Friday, September 16. We started

Before Photo of Part of Yard

at 8 a.m. with generators, chain saws, hedge trimmers, and 2 trailers to haul and dispose of the debris. We finished with 5 trailer loads. At 11:30a.m., exhausted, we quit for the day.

We completed the cleanup job on Friday October 7, with another four trailer loads of debris. Special thanks to Ron & Janice Aiken, Ron Allowitz, Sharon Clarke, Diana & Allan Lindberg, Kim & Paula Kilgore, Don Robarge, Dennis Wichert, and Dale Butts. Diana supplied us with water and treats.

The Great Black Spider

by Gini Oliver

With Halloween just days away, I'm reminded of Dr. Thomas Muffet's poem published in 1805, Songs for the Nursery:

Little Miss Muffet

Sat on a tuffet

Eating her curds and whey.

There came a great spider

Who sat down beside her

And frightened Miss Muffet away.

Well, that's not exactly how it happened with me, but a great black spider did frighten me away early one morning while making my bed. As I lifted the pillows to pull up the top sheet, I glimpsed the long shiny legs of a great black spider who was postured at the head of my bed, peering over the top edge of the bottom sheet – right where my head, only minutes before, had been resting. YIKES!

Too big and too menacing to handle between my thumb and forefinger – even with several tissues in hand – I darted to the door of the bedroom to go for any spray, thinking it might work for spiders. Then remembering the spider might leave the scene, I ran back to see if he was still there. He was! Great! On to the kitchen I jogged, but when I returned with the spray, the spider had vanished! Gone! Nowhere to be found. Frantic searches proved fruitless.

Perhaps the great spider deftly crawled away to join displays and creatures of Halloween: golden pumpkins, spider webs, black cats, spooky goblins, and grisly ghosts, to kindle and enliven our spirits for All Saints' Eve as we celebrate and reflect on memories of October 31, past.

Seniors and Income Taxes

by Eric Olsen Executive Director HELPS Nonprofit Law Firm

A new law came into effect that Oregon seniors need to know about. Oregon House Bill 2089 passed unanimously was signed into law and became effective Jan 1. The Oregon Department of Revenue (ODR) to offer to place seniors receiving social security, pensions or VA benefits, whose income is within 200% of the poverty line, on uncollectable status if they owe old state income taxes. "HB 2089 articulates expectations for the Department of Revenue's collections practices to ensure taxpayers of lesser means are treated fairly and appropriately," said Governor Kate Brown's spokesperson Kristen Grainger.

Over 40% of Oregon seniors have incomes within 200% of the poverty line. Many seniors owe old state taxes. Most seniors want to and expect to pay their taxes. However many lower income seniors simply don't have the money. What may be a surprise to many Oregon seniors is that no matter how much their income, social security, pensions, and VA benefits are all protected by federal law from collection for past due state income taxes owed. They can be easily scared and intimidated into paying past due state taxes they simply can't afford nor are required by law to pay. They can now contact the ODR and request to be placed on uncollectable status in order to stop collection notices and demands. Income less than \$23,760 for one person and \$32,040 for a couple qualifies them as less than 200% of the federal poverty guideline for 2016. Even if their income is above this sum it cannot legally be garnished by the ODR.

The IRS has a long standing system in place to put qualifying persons on uncollectable status for old federal taxes owed. In order to be eligible for uncollectable status with the IRS, specific information must be provided. You can actually apply for uncollectable status over the phone. In order to be declared uncollectible by the IRS you will have to prove or explain to the IRS that if they were to collect the tax that is owed to them it would create an unfair economic hardship. The IRS will consider each person on a case by case basis. The IRS doesn't necessarily have a set formula for declaring individuals uncollectible. However questions you will be asked include, if the IRS were to collect taxes owed from you would you be able to buy food for yourself, pay your rent or mortgage, keep your utilities, obtain necessary medications and treatment, and be able to obtain reasonable clothing? If you answer no to any of these questions, then you may be able to be declared uncollectable by the IRS. The IRS has financial standards to determine what expenses are considered reasonable and necessary. The IRS standards can be found here: https://www.irs.gov/businesses/smallbusinesses-self-employed/collection-financial-standards

There is hope for Oregon seniors with old taxes they can't afford to pay. They don't need to go without food or medicine in order to pay old state taxes they can't afford. Their income is protected by federal law. They can be placed on uncollectable status now by both the IRS and now the ODR.
