We will do this training at the end of January 2019 and we work from February 1 until April 11 on Tuesdays, Wednesdays, and Thursdays from 10 a.m. to 2 p.m. You pick the days to work and hours. Call evenings Monday through Thursday 503-853-9578.

Grand Opening of New Exercise Rehab Room

by Dawn Cole, House Director

Tuesday, October 30, 8-11 a.m., we will have a nationally certified physical trainer, Allen Carter, on-hand to teach the first “Silver Fitness” class in the new Exercise Rehab Room. The class will be approximately 25 minutes long, focusing on increasing motion and balance, and the rest of the session will be Allen working with folks one on one. Please sign-up at the office. This class is limited to 8 people.

Mark your calendars: Every Tuesday there will be a “Silver Fitness” class, followed by personal training from 8-11 a.m.

ALSO: Every Thursday, 8-11 a.m., our volunteer trainer will be teaching a class in the old Exercise Room for increasing strength. Each week will focus on a different muscle group. The first class will be on strengthening your “core”. No sign-up necessary.

All of the equipment that was there before is still there, nothing was disposed of. The free weights were replaced because some were missing. Plus two new machines have been added, one for core and back strength and one for isolating muscle groups and strength.

Smith Creek Development Planning Commission Hearing

Submitted by Kristi St.Amant from the City eBlast

On September 27, the Planning Commission held the first public hearing on the Smith Creek Development Project (Smith Creek). Over the course of five to eight years, Stafford Land Company plans to develop approximately 150 acres, located generally north and west of 690 Ben Brown Lane on what was the Smith family farm. The Smith Creek Development is residential, consisting of over 800 dwelling units in the form of over 600 houses, almost 100 townhouses and over 100 multi-family units (i.e. apartments).

As proposed, the first phase extends Ben Brown Lane west to a southern extension of Harvard Drive. Amenities include, per the City Mill Creek Greenway Master Plan:

A cycling and walking path between S. Settlemier Avenue and Stubb Road along the west tributary of Mill Creek a combination of private common open spaces and public park land.

The Commission heard public testimony from the applicant, representatives from the owner of the property, and from neighbors surrounding the proposed development. The window for submitting written testimony ended a week after the Commission hearing. The Planning Commission will meet October 11 to hear the applicant respond to the testimony, deliberate on the project, and make a recommendation to the City Council, which is the deciding body and will hold its own public hearing with opportunity to testify in person or in writing. The Commission will not hear additional testimony.

The Council hearing is tentatively scheduled for a special date of Monday, October 29.

Bike Club News

by Rich Trost

We will be changing our starting time in November to 10:00 a.m. for our winter schedule. First 10:00 am start will be Thursday, November 1. Winter rides are weather permitting. It's no fun riding in the rain or freezing temperatures. That's for the younger riders with fewer aches and pains! We continue to lose riders for various reasons so rides are averaging around 2 1/2 riders. Don't ask what constitutes one half of a cyclist! New riders are always welcome. Rides start by the flagpole Tuesday and Thursday. Join us!

News & Views Photographers(s) Needed

by Kathy Hiller

Our latest photographer, Sandy Abt, has gotten so busy, she can no longer serve as our photographer. We certainly appreciate the work she did for us, but now must plead for any of you amateur photographers to step up. Our biggest need is for the golf events, but there are always activities that deserve to have photos of their events. Please email *News & Views* at nv@WoodburnEstatesGolf.com if you can volunteer. Thank you!

- I want to recognize McCully Realty for continuing to sponsor the Pancake Breakfast for many years. They also sponsor many other events here - plus being in our Directory. Good sponsors like this help us thrive. Thank you again for always being there. Glad to have new co-sponsor Wolfer's Heating & Air Conditioning join us and hope to continue for many years.
- I went to our Sunday Concert. It was very well attended and people loved it. It takes lots of people to make these events happen. The planning – the set up - the cleanup. I want to recognize all the hard-working volunteers who do this over and over again. Nobody knows their names, they work silently behind the scenes, over and over again. The next time you see Bill Coleman, Retta White, Donna Burnside, Don Robarge, David Weaver, Jim Taylor, Stan Hiller, and all those whose names I don't know, please say 'thank you' for all their hard work. These are just a few of our members who make this a happening place to live.
- We just finished our activity calendar for next year and for our directory. Mark these dates on your 2019 calendar. You know if it is not written down it doesn't happen! Wouldn't it be wonderful for you to attend something new to you this next year? The more active you are, the younger you stay.
- Our newest projector is in place on the auditorium stage ceiling. Many thanks to Walt VanRheen, Frank Jameson, Victor the electrician and Dawn Cole for getting this done.
- Change of date for Sock Hop to December 1, 4-6 p.m. This is why we do a calendar, it is so hard to schedule around all the activities.

Women’s Revenge

“Cash, check or charge?” I asked, after folding items the woman wished to purchase.

As she fumbled for her wallet, I noticed a remote control for a television set in her purse.

“So, do you always carry your TV remote?” I asked.

“No,” she replied, “but my husband refused to come shopping with me, and I figured this was the most evil thing I could do to him legally.”

Like a Newborn Baby

Two elderly gentlemen from a retirement center were sitting on a bench under a tree when one turns to the other and says: “Slim, I’m 83 years old now and I’m just full of aches and pains. I know you’re about my age. How do you feel?”

Slim says, “I feel just like a newborn baby.”

“Really? Like a newborn baby?”

“Yep. No hair, no teeth, and I think I just wet my pants.”

Lady Putters Awards

Winners of over 10 holes-in-one for the Lady Putters season are Doris Ehlen-Kruse, Gwen Egan, Barbara Knox, Linda Eaton, Sandy Alsbury, Arlene Langendoerfer and Sharon Clarke. Not pictured: Betty Yaws and Jeanette Johnson.

Gwen Egan and Mickey Harrison presenting the 2018 Golden Putter Award to Barbara Knox of the Lady Putters.

by Mickey Harrison and Gwen Egan

We're so proud of our Lady Putters. In the last issue of *News & Views*, we wrote about closing out the end of our fourteenth season. Now that we have a couple of pictures from our awards ceremony, we'd like to recap the presentations.

The Annual Golden Putter Award and a monetary award were presented to Barbara Knox for achieving 19 holes-in-one. Her name will be added to the plaque which is displayed in the Golf Lounge. Congratulations, Barbara!

In addition, this year it was decided to give a monetary award to each Lady Putter who made 10 or more holes-in-one during the season. Special thanks were given to Marilyn Dykes, Sheila Hawn, Betty Yaws and special “on call” helper Linda Eaton for setting up a challenging course every week for us.

As a reminder, our next season starts May 6, 2019. We look forward to more good times and personal achievements with old friends and new!

Men’s Golf General Meeting Minutes

Woodburn Estates Men’s Golf General Meeting October 3, 2018

President Ken Bourne called the Meeting to order at 10:00 AM in the Dining Hall, followed by the Pledge of Allegiance.

Roll Call: All Officers & Committee Chairmen/Representatives were present except as noted in this report. There were 42 members in attendance at today’s Meeting.

New Members Present: None.

Head Pro Report: Jason Hoth thanked the members who played in the Swing Speed Tournament, held on Sunday, September 30th. Jason then read the winners who participated in the tournament, stating also that the total payout was \$550.00.

President’s Report: President Bourne welcomed the members to our Annual Meeting. He then discussed the luncheon and 9-hole Scramble Event to begin shortly after today’s Meeting. The luncheon and the Scramble Event will include members of the Ladies Golf Club. There will be a 1 PM shotgun start and no handicaps will be involved as this will be an event for fun and to acquaint our members with members of the Ladies Golf Club. President Bourne then congratulated member Mike Archer for his recent hole in one on hole number 11. President Bourne concluded his remarks by stating that today’s election for officers for 2019 will be conducted by Vice President Will Abshere.

Vice President’s Report: VP Will Abshere stated that Ken Bourne has been declared our President for 2019 via acclamation. There were also no nominees for Vice President; therefore, Will Abshere will be our Vice President for 2019 via acclamation. The position of Treasurer has two nominees for next year...Allan Lindberg and Mark Jorgensen. VP Abshere requested that during our Meeting, those members who desire to vote for Treasurer to quietly move to the back of the room to cast their vote. The results of the vote for Treasurer will be announced at the end of our Meeting.

Treasurer’s Report: Treasurer Allan Lindberg was absent with notice. Secretary Chuck Johnson read Allan’s report as follows: Beginning Balance as of September 1st...\$3,493.78...Deposits...\$196.00...

Interest...\$00.15...Ending Balance as of September 30...\$3,689.93. As of September 30th, we have 141 members in the Men’s Golf Club. The 50/50 Raffle balance as of September 30th is \$562.00.

Secretary’s Report: Secretary Chuck Johnson had nothing to report.

COMMITTEE REPORTS:

OGA: Representative Paul Eaton reported that at this time the OGA does not plan to raise the annual membership dues.

Greens: VP Will Abshere reported that there would be no Greens Committee Meeting in October. He then reported on the September Meeting of the Greens Committee as follows: the golf course maintenance crew performed the following service: grass sod placed over the sewer repair area; mounds near the 12th hole have been created; 6 trees to be planted to replace trees removed; aeration of the greens, fairways, and approaches. There will be 5 employees on the maintenance crew during the winter months. Will then reminded members to follow the arrows placed on the parking lot when approaching the tenth green and when concluding their round. He also reiterated that when in our golf cart, we must obey rules of the road, including stopping at stop signs. A number of concerns were then expressed by members present, including the need for more sand in the practice bunker, rings in the cups often placed too high, the need for the OGA to provide a slope rating on the new forward tees for male golfers, ground under repair needs to be so marked, and the work being done on the left side of hole number 11. Will concluded his remarks by stating that the 2019 Golf Schedule has been approved by the Board of Directors and that the Glow-Ball Tournament is scheduled for the evening of October 5th.

Handicap: Co-Chair Russ Krussow asked that local numbers again be recorded on the score cards as often it is difficult to even read the names as written on the cards. He then stated that the 2019 Rule Books are available for purchase at a cost of \$4.00 each if ordered in bulk. Members present expressed a desire to acquire the 2019 Rule Book and it was agreed that the Club would reimburse the Pro Shop for books ordered. Russ then discussed the OGA guidelines regarding scoring events, stating that he attempts to follow their guidelines as closely as possible. There have been questions as to the 10 stroke limitation in Two Person Best Ball formats. Russ pointed out that tournament events require a great deal of effort and time on the part of the handicap co-chairs. He then pointed out that the OGA annual billing structure has changed to December 31st each year. That means that if “snowbirds” head out prior to paying for the next year’s dues, they may be deactivated while at their winter destination. This billing change will be published in the *News & Views* and posted in the Pro Shop and/or Lounge. Russ concluded by stating that Sid Longest is a new member of the Handicap Committee. Co-Chair Clint Hansen then discussed the USGA’s position as to what events are deemed to be considered a tournament. Clint then stated that when a tournament involves a second date where there has been a new handicap change (every first and fifteenth of the month), the current handicap will be used when scoring the tournament.

Mixed: Representative Fred Bourne stated that the Ladies Golf Club conducted a vote as to when after-tournament dinners will be held, choosing between the current time of 2:30 PM and a proposed time of 5 PM. The Ladies Golf Club voted in favor of keeping the 2:30 PM dinner time. A vote was then taken among our members present and the vote was in favor of keeping the 2:30 PM dinner time.

Sunshine: Chairman Ron Gripenstraw sent out two cards during the month to Larry Stewart and Don Peters.

Rules: Chairman Jim Hutchinson reviewed the new rule changes for 2019. A vote was conducted among members present regarding a possible adoption of local rules involving lost and OB balls and removing a ball from a sand bunker with a two stroke penalty. The members present voted to not adopt the suggested local rules and maintain play as to lost balls, OB balls, and balls in a sand bunker.

Membership: Chairman Stan Hiller requested that all members readily pick up their bag tags at the Pro Shop. He stated that based on bag tags made, we have 16 less golfers paying the annual golf dues when compared with last year.

UNFINISHED BUSINESS: Nothing to report.

NEW BUSINESS: VP Abshere collected the results of the voting for the Treasurer for 2019. The candidate receiving the most votes was Mark Jorgensen. Mark will be our Treasurer in 2019. The Secretary of the Club serves at the request and pleasure of the President of our Club and is not an officer of the Club.

CLOSING COMMENTS: Fred Bourne reported that there will be a Texas Hold ’em Event held on October 20th. A question was raised as to why the Club did not use any Club funds in the annual Turkey Shoot. A question was raised as to why members choose to play in a “money game” on Thursday rather than play in the Men’s Golf Club Thursday Play. Clint Hansen then thanked members for their support and Clint acknowledged the many hours that Russ Krussow spends as a co-chair of the Handicap Committee.

Door Prizes: The 50/50 Raffle was then held. The total money collected for today’s raffle was \$118.00. Dave Schuur held the winning ticket and split the pot, winning \$59.00.

CLOSING: President Bourne asked for a motion to adjourn our Meeting, the motion made, seconded, approved, and the Meeting was adjourned at 11:05 AM.

NOTE: OUR NEXT GENERAL MEMBERSHIP MEETING WILL BE HELD IN THE DINING HALL AT 10 AM ON WEDNESDAY, NOVEMBER 7, 2018.

I'm Fine

Author unknown

There's nothing whatever the matter with me.
I'm just as healthy as I can be.
I have arthritis in both my knees,
And when I talk, I speak with a wheeze.
My pulse is weak and my blood is thin,
But I'm awfully well for the shape I'm in.

My hearing is poor, my eyes are dim,
Most everything seems to be out of trim.
Memory is failing, head in a spin,
I'm practically living on aspirin.
But I'm awfully well for the shape I'm in.

Arch supports I have for my feet,
Or I wouldn't be able to walk on the street.
Sleep is denied me night after night,
And every morning I look a sight.
My memory is failing; my head's in a spin.
But I'm awfully well for the shape I'm in.

Now the moral is, as this tale is told,
For you and I are growing old.
It's better to say, "I'm fine" with a grin,
Than to tell everyone the shape we are in.

Seenager

I am a *seenager* (senior teenager). I have everything that I wanted as a teenager, only 60 years later:

1. I don't have to go to school or work.
2. I get an allowance every month.
3. I have my own pad.
4. I don't have a curfew.
5. I have a driver's license and my own car.
6. I have ID that gets me into bars and the whiskey store.
7. And I don't have acne.

A Romance, Nevertheless!

by Betty Judevine

It was the usual bright summer day at the beach, then driving to the ferry for the ride home. We were proud of the illustrious paint job my owner and myself had on the car. A shiny sky-blue made the old shebang look really dapper! As we headed up the ramp for the ferry, I felt a sudden jolt! A flash of pink streaked by leaving a little of the color on our fender. Of course I was angry but also in awe of a beautiful Corvette sports car, complete with all the electronic gadgets I'd never have.

We sat side by side on the ferry. She looked over and I blushed to purple, so enamored had I become. Nearing land, we both started up - me, with a roar, and she, with barely a twitter. We ran around behind her to give her a much-needed push. She hardly budged at first. Then suddenly, her brakes gave way and she sailed over the ferry's edge and into the water with a huge splash!

Our owners peered over the side in dismay but fortunately, my owner had all the equipment it took to pull her out. We got her on the river bank but still she couldn't start. My thoughts as I worked with my owner were: "Thank goodness we could still take care of the old rig." Mechanics rushed to the rescue but all the smart electronic gear could not be fixed. This pretty lady was at the mercy of a garage and its professionals. However, I had fallen for her, just the same, and watched longingly as she was towed away.

The World’s Six Best Doctors

Steve Jobs died a billionaire at age 56. This is his final essay:

I reached the pinnacle of success in the business world. In some others' eyes, my life is the epitome of success. However, aside from work, I have little joy. In the end, my wealth is only a fact of life that I am accustomed to. At this moment, lying on my bed and recalling my life, I realize that all the recognition and wealth that I took so much pride in have paled and become meaningless in the face of my death.

You can employ someone to drive the car for you, make money for you but you cannot have someone bear your sickness for you. Material things lost can be found or replaced. But there is one thing that can never be found when it's lost - Life. Whichever stage in life you are in right now, with time, you will face the day when the curtain comes down.

Treasure love for your family, love for your spouse, love for your friends. Treat yourself well and cherish others. As we grow older, and hopefully wiser, we realize that a \$300 or a \$30 watch both tell the same time. You will realize that your true inner happiness does not come from the material things of this world. Whether you fly first class or economy, if the plane goes down - you go down with it.

Therefore, I hope you realize, when you have mates, buddies and old friends, brothers and sisters, who you chat with, laugh with, talk with, have sing songs with, talk about north-south-east-west or heaven and earth that is true happiness! Don't educate your children to be rich. Educate them to be happy. So when they grow up they will know the value of things and not the price. Eat your food as your medicine, otherwise you have to eat medicine as your food.

The one who loves you will never leave you for another because, even if there are 100 reasons to give up, he or she will find a reason to hold on. There is a big difference between a human being and being human. Only a few really understand it. You are loved when you are born. You will be loved when you die. In between, you have to manage!

The six best doctors in the world are sunlight, rest, exercise, diet, self-confidence and friends. Maintain them in all stages and enjoy a healthy life."

Change of Duty

by Anna Phillips

I suppose some of you have heard the saying, “telling tales out of school.” It was first recorded in the 1500's. At that time it alluded to school children gossiping and later broadened to include anyone spreading misinformation. Surely, you have all been party to those juicy secrets whispered and soon carried on foul breezes to first one recipient and then another.

Well, the back story is far more impressive, and accredited as well. Trust me, I would never lie!

I worked for the Monarchy for nearly 13 years. First, as a companion to His Highness, and later my duties came to include keeping an eye on the maintenance of his personal rooms and a nearby schoolhouse as well. You could say we grew up together.

In January of 1547, Edward VI was crowned King of England and Ireland. It was a surprise to many, as at that time he was but 9 years old. He was also the first monarch to be raised as a Protestant. Early on, the King showed more compassion for the lowly than many previous Kings. He (along with his Regency) instituted reforms that caused unrest and rioting. Some were for Catholicism, others espoused the Church of England. I stayed out of debates of any kind, because no-one really valued my opinion anyway. I was but a companion to the King, and was only noticed when he had nothing better to occupy his time. He was very interested in religion, and also felt strongly that education was of value to everyone, even the poorest. I was pleased to be one of the very first to tour the public schoolhouse with him when it was completed, a sign that he still needed me in his daily life.

When we first went to war with Scotland, he called on me often for companionship. Sometimes, we would visit the schoolhouse to see how the boys were getting along with their lessons. You must remember, he was just a young lad himself. I think it was a way for him to get away from the heavy duties he carried as King

As we aged, our duties grew, and I believe the burdens placed on him so young led to his illness. It was troubling to me to see him sick and abed so often. There would be brief periods of time when he just asked that I sit with him quietly. When he felt better, he might talk of plans for the future of England. By this time, a truce had been made with Scotland at great financial hardship to the Monarchy. Nevertheless, he still had goals for the future, and the welfare of all his subjects.

In May of 1553, even though his illness was deemed terminal and his Council had drawn up a “Devise for the Succession” to prevent the country's return to Catholicism, I truly thought he had experienced a miracle and been healed. He bounded out of bed shortly after I entered the room and declared that we were going to the schoolhouse to see “the boys.”

He was glad to get back into a routine, and remarked on how well I had managed in his absence. I did have a sense of pride, but tried not to strut about. After-all, I am but one of many necessary to keep the country running. Once at the schoolhouse, I was left to my own devices. Edward conferred with the Headmaster, while I inspected the structure. I then took a seat near the doorway and watched His Highness. He had such a wistful countenance, and as he turned to leave, he whispered for my ear only, “How I wish I were but a poor lad rather than a King.” This is the first time I've told anyone.

My Dear Edward died in August of that very same year. He was only 15. At that time, my only duty became protecting the schoolhouse from vermin. And so, I'm the cat, let out of the bag, “telling tales out of school.”

Traveler's Report

by Tim Haley

In mid-September, my wife Pat Parris and I took a brief, but very relaxing trip to Anacortes, WA. We stayed at the Swinomish Casino and Lodge and spent a day whale-watching in the water around the San Juan Islands. We were very lucky to have perfect weather that day, and we saw about 60 orcas from 3 different pods. They formed a super-pod comprised of members of the J, K and L pods. We were also treated to a view of a humpback whale very close to the boat. It was a thrilling trip, and we recommend it highly.

Favorite Thanksgiving Dinner

by Donna Wood

My friend Angela Ayres. Angela lives in Portland, but grew up in Lima, Peru. She married a Reed College chemistry professor who was in Peru climbing the Andes. When our children were young, we did a lot of camping together and have always shared a love of gardening. It has often been my good fortune to be invited to eat at her house. The tastiest Thanksgiving dinner I ever ate was prepared by her. She agreed to let me share her recipes:

HERB TURKEY

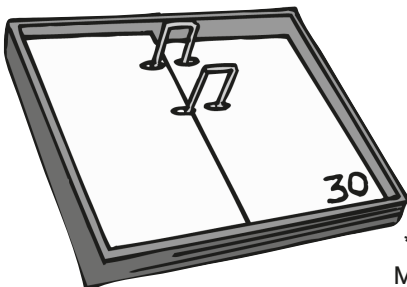

Thaw turkey; remove giblets and wash turkey. Stuff with dressing below. Rub lemon, salt, pepper & thyme inside of the turkey. Rub garlic, salt, pepper, thyme & rosemary on the outside. Place in a large pan on a layer of vegetables and water. Cook at 325 degrees F, breast down for 2 ½ hours. Turn up and add herbs again. Bake 18 minutes per pound. Can baste with this mixture: Cook giblets and add dry white wine, celery and carrots.

DRESSING

Use bread or rice, add garlic, celery, water chestnut, pepper, thyme, milk, onion, parsley, melted butter and one egg. OR, use Tuscan bread with garlic, celery, apricots and prunes. Use a rubber spatula to loosen the skin and stuff the dressing under the skin on top of the breast.

CRANBERRY SAUCE

Cook cranberries in orange juice. Add 1 pear, 1 apple, ½ cup of Splenda & candied ginger.
