L-R: Clinton Seymour, Jared Jenkins, Tom Tvetan, Ed Halter, Jack Konovalov, Joe Martinez and Bob Bearden.

by Shirley Bishop

Tuesday, June 11, I heard voices coming from the Pool/Billiard Room. I opened the door and saw that three of the five pool tables had players! I went back to *News & Views* office, grabbed the camera and got a photo of seven players at one table. They all said they welcome everyone to: Come join us in the Pool/Billiard Room! We have 5 pool tables and 1 billiard table for your enjoyment. Would you be interested in being in a pool tournament? Just come and join in.

NEWS AROUND THE NEIGHBORHOOD

Rose Garden Volunteers Needed

by Linda Hanson

Volunteers would be greatly appreciated on Monday mornings at 8 am when the dead and dying rose blossoms are trimmed. Leonard Schmidt has been doing this since the garden was planted. I don't know for sure how long ago, maybe 20 years? I have been helping, but I've also been traveling extensively and by the time you read this, I may be traveling again. You can bring your own clippers if you have them, and if you live close by you might bring a green yard debris container, although we usually have a couple. With a couple of people helping, it only takes an hour. If anybody wants to make potpourri, there's a lot of rose petals! Don't worry that you have no experience. Leonard's a good teacher, and anybody can trim off wilted blossoms! Thanks so much. The roses look good, but it's all because of the volunteers!

Woodburn Estates Dance and Social Club

by Bill Coleman, Chairman

RE: “Taska & the Party Band!”

The Woodburn Estates Dance and Social Club is introducing a new and different event featuring Portland’s popular “Taska & the Party Band” at a “Happy Hour” concert/dance on Sunday, June 30th at 3:00 p.m. performing a mix of fun R&B and rock’n’roll hits from the past. This free concert/dance is at the Woodburn Estates & Golf Auditorium, 1776 Country Club Road, and is open to the public regardless of age.

“Taska & the Party Band” have been a Portland staple for years, and their crazy, party show has pleased audiences all over the Northwest. While the performance is free of charge, we encourage donations...baskets will be distributed during the concert for this purpose.

Enjoy an assortment of bargain priced domestic and imported beers, or a glass of wine at the show. There will be a short intermission with coffee and cookies, and a few moments to meet the artists up close and personal.

Coming up: Things really heat up on August 4th at a free “Happy Hour Concert/Dance” featuring “Billy & the Rockets” performing a lively Country, Blues, Rockabilly/Do-Wop show. You won’t want to miss this opportunity to see one of the Northwest’s top performers.

Let's Get Physical

by Dawn R Cole

As you are aware, Woodburn Estates and Golf has a personal trainer for group and individual fitness training. Allen Carter is an Internationally Certified Fitness Trainer, Certified Nutritionist, Certified Exercise Therapist, Certified in CPR and also an Elite Level Trainer, specializing in Senior Fitness.

The Office has been receiving many requests for outside trainers to come in and use our Health Center to train our members. Check in with us in the Office before signing on with one, because we are requiring they submit their current certifications including CPR.

Allen Carter has seen success in many areas for seniors such as Weight Loss, Physical Transformation, and Building Muscle. Allen has also offered training focused on sports our members participate in. One such focus is on Improving Your Golf Game and Your Endurance.

Allen can also help you with your Nutrition and Meal Planning. He has experience with members that have Diabetes as well as pre-diabetic meal planning plus Exercise Therapy for High Blood Pressure, Stroke, Joint Replacement (Hip, Knee), Pre and Post Surgery Exercise Therapy.

Allan Carter currently conducts a free Senior Fitness class in the exercise gym and will be moving that to a larger room to accommodate the growing number of people currently attending. He will be starting a “Sit & Fit” class soon.

Keep on the lookout in our *News & Views* calendar to see dates and times for these free classes. Allen Carter is also available for one-on-one personal training for members at a very minimal cost. Call him to schedule at 503-957-8800. Always remember the fitness “Golden Rule”, if you try an exercise that hurts to perform, then stop it and consult your doctor. It is always a great idea to consult your doctor before you begin any exercise program.

Do you like to make pretty and useful things? Then come join us on the second Wednesday of each month from 10:30 to 12:30 in the Blue Room. We are starting our third year fusing glass for jewelry, coasters, Christmas ornaments, Easter eggs, and you-name-it.

At our June meeting, Dave Dickerson (who got this group started) was helping Derma Howe prepare an unusual piece of wood, to hang fused glass from, for a wind chime. Others in the group were completing theirs (see photos) and as they held them up they made a lovely sound, tinkling softly, and catching the sunlight from the nearby windows.

At times we have as many as 10 to 12 working on projects. Today there were only 5. Why not see for yourself? We welcome new members. There are no dues. No minutes. Only cost is for the materials that are used to make our crafts. Hope to see you July 10 in the Blue Room at 10:30 a.m.!

Men’s Golf General Meeting Minutes

Woodburn Estates Men’s Golf General Meeting June 5, 2019

President Ken Bourne called the Meeting to order at 10 a.m. in the Dining Hall, followed by the Pledge of Allegiance.

Roll Call: All Officers & Committee Chairmen/Representatives were present with the exception of those absent with notice as reported in these Minutes.

President’s Report: President Bourne welcomed the members to the meeting and ask for any new members. There were 3 new members in attendance – Jim Prickett, Sherman Lackey and Dave Mastalski. He then congratulated Jim Carter as the Men’s Handicap winner. Those top 32 golfers now are qualified for the match play in honor of Sid Longest. President Bourne said that the Golf Chair at the last Board Meeting had a motion passed to lower the age from 50 to 45 for associate golfers only. “I have a petition request to sign for those for or against the 45 year age.” The request sheet was then passed around to those in attendance. Some spoke about their thoughts on this important issue. Ken will then draft a letter and take the petition to the next corporate Board Meeting.

Vice President: Will Abshire reported on the Greens Meeting saying the 90 degree rule is in effect; the white line 30 yards in front of the green is not to be crossed, and some of you are parking your power carts too close to the green – meaning between the green and the cart path. There will be more disease and or damaged trees removed this year.

Treasurer’s Report: Treasurer Mark Jorgenson provided the balance of the accounts as of June 4 as \$4,481.06. Balance of the voucher account was \$6,302.79.

Secretary’s Report: Secretary Chuck Johnson was absent with notice. Stan Hiller filled in.

COMMITTEE REPORTS

Handicap: Will Abshire: I believe that the new scorecards need to be looked at. The designation is being changed, with 1 being the hardest. Another question about the weeds around the trees. Response was that maintenance is trying to get caught up on the course. Will then had Clint Hansen talk about how to play Match Play and the rules involved and how to score your card when you concede the hole. Also, an early reminder that the dues are due by December 31. If you are a snowbird, you should pay before you leave.

Mixed Tournaments: Chair Fred Bourne said we had a huge success with 138 golfers and served 155 dinners. When you bring a guest, they need to be on the dinner list. The next tournament is on June 15. Be sure to pick up your golf bag tags.

Sunshine: Chairman Ron Gripenstraw was absent with notice. President Bourne said two cards had been sent out by Ron. Good note that Mike Dykes is with us today.

OGA: Chairman Paul Eaton said the OGA is not making the rules, but USGA worldwide is making the rules for everyone to follow. Now I beg everyone, please do not call the OGA with your golfing problems. That is why I am here to get the help you need on questions you may have.

Rules: Chairman Jim Hutchinson asked a trick question. True or false: Can a golfer declare an un-playable lie anywhere on the course? Answer is false, except in a penalty area. How about in a bunker? True. Can you go up to where the ball went out of bounds and play from that spot with a 2 stroke penalty? Answer is false, you must go back and replay the shot.

Membership: Chairman Stan Hiller stated that golfers need to pick up their golf bag tag. If it is not there in the golf shop, be sure to get on the list to have it made. We need 7 more golfers to equal last year’s total of annual paid golfers. So, get more golfers!

UNFINISHED BUSINESS: Nothing to report.

NEW BUSINESS:

1. Fred Bourne welcomed everyone to come out and play Texas Hold ‘em. He talked to Jim Worley the other day and Jim is doing very well, but doubts if he will be coming back to work in the golf shop. President Bourne said that this Friday and Saturday will be the Rose-A-Rama ladies’ event, so give them room as it is just like the men’s Harvest for us.

2. Golf Pro Jason said he looked into the scoring cards and you were right, we use the red instead of the white tees. And please use the restrooms we have, instead of the trees.

3. Ron Sartin asked about how the blind draws are done and how is it paid

out. It was decided that the blind draw person does not pay and does not get paid. That the golf system now can handle it. Example: if the winner should have won, now only get half the winnings.

4. Clint Hanson reemphasized that all need to ask your question of the handicap chair, instead of asking the OGA office.

Door Prizes: Steve Hobson had a member draw the winning 50/50 ticket and the winner was Fred Bourne.

Closing: President Bourne asked for a motion to adjourn the meeting, motion made, seconded, approved, and the Meeting was adjourned at 11:05 a.m.

Our next GENERAL CLUB MEETING will be held in the Dining Hall at 10 a.m. on Wednesday, July 3, 2019.

Woodburn Fire Welcomes New Firefighter/Paramedic

Fire Chief Joe Budge with Firefighter/Paramedic Jesse Halpern and his wife Alicia Halpern

Fire District Board Member, Deb Yager, delivering the oath-of-office to Firefighter/Paramedic Jesse Halpern

On Wednesday, May 15th, the Woodburn Fire District welcomed new Firefighter/Paramedic Jesse Halpern to the Fire District. Halpern is filling a vacancy left by a career firefighter who had taken a position with The Dalles Fire District earlier this year to be closer to his family.

Chief Quote: “We are excited to have Firefighter/Paramedic Halpern join the Woodburn Fire District. His training and experience in emergency response, proven commitment to community volunteerism and involvement and a history of excellent customer service make him an outstanding addition to team.”

Jesse and his wife Alicia live in Canby. He was formally employed as a paramedic for American Medical Response and has volunteered as a firefighter/paramedic for the Molalla Fire District. Halpern said he, “is super excited to be part of the team and in bringing advanced life support to the area.” Jesse and his wife are very active in volunteering at their church and in their community. He believes in, “Being the change that you wish to see in the world.”

The addition of Halpern will aid the Woodburn Fire District in fulfilling the commitment to the District residents to provide a minimum of four firefighters on-duty at all times including at least one paramedic with advanced life-saving skills. Funds that prevented firefighter lay-offs and enhanced the fire district staffing were provided by a local option levy approved by voters last November.

The levy funds will allow the four firefighter constant staffing to begin on July 1st. The advanced life-saving service that will be provided by fire district paramedics will be incrementally phased in as the components of the paramedic program are put in place. The first steps of this process began earlier this year with the selection of two existing firefighters to receive paramedic training. Firefighters Ryan Johnson and Mitch Raines are currently enrolled in a paramedic training program while maintaining their current full-time duties as career firefighters assigned to a 24 hour shift. The initial phases of the advanced live-saving service are scheduled to begin in November of 2019.

Chief Quote: “Four Firefighter Staffing is an industry best practice for providing a high level of protection to the lives and property of the residents we serve while maintaining the safety of our firefighters working in hazardous conditions. The presence of a paramedic on-duty at all times will bring near emergency room life-saving capabilities to those residents of the district that experience a medical emergency. We are thankful to the voters for providing the funds that make this professional level of service to the community possible.”

Coffee Hour June Birthdays

Pretty Good Used Cars

The Price is What? (L-R) Shirley Bishop, Pam Matthews, Trudy Fowlks, Ellen Kemper, Diana Lindberg

by Kathy Hiller

The first Coffee Hour of each month, those having a birthday in that month are celebrated. We were pleased to have one celebrant, Ryllis Linday, who had just turned 100! Each June birthday participant received a candy bar as the gathering sang “Happy Birthday”. Congratulations to everyone!

Also, on June 6 was a short play “Pretty Good Used Cars” directed by Susan Overton, a new member at WEG for almost one year. Susan and her husband, Don, were active participants in plays and skits in Arizona, and we are happy to have them as our neighbors and thankful that they are reviving the “Wrinkle City Players” that were previously directed by the late Barney Barnes.

June 13 Coffee Hour was a revival of a game show renamed, “The Price is What?” Walt VanRheen was the announcer and ran the show, while Diana Lindberg was the hostess. Several WEG members had signed up to play, and soon four names were called and the game was under way. Walt put the first item on the screen and the four contestants wrote their guess as to the cost of the item. Just like the actual “Price is Right”, the nearest guess without going over was the winner. This person then went across the stage to a row of chairs and waited for the other “winners” of each round to join her.

These players then spun the “Wheel” trying to get to \$1.00 or as close to \$1.00 as possible without going over. The final winner was Pam Matthews! She received a nice prize for winning and the others had the fun of playing.

Walt is always looking for contestants for this game and others. Anyone wanting to join in the fun, sign up at the resource table at the back of the auditorium at Coffee Hour. Coming up, we will be seeing the WEG version of “Neighborhood Feud” with folks from Country Meadows and Cascade Park pitted against each other. The Woodburn Police Department and Woodburn Fire Department will be having a rematch sometime this fall. The WPD will try to take the title back from WFD who won in their first matchup.

What to Do With Pet Waste

by Kristi St.Amant, Membership

Republic Services advises that all Pet Waste should be bagged and disposed of in your Regular Trash Container. Please do not place any Pet Waste in your Yard Debris Container.

When walking your pet, please pick up your pet waste and take it home to your own trash container. Be courteous to your neighbors – while the baggie protects your hands, it rarely contains the smell and your neighbors, particularly those who don’t have pets, will not appreciate opening their trash bin to that odor!

While the area closest to the street is “technically” city property, we as homeowners still maintain and take pride in it. Do your best to keep your pet from consistently using your neighbors’ lawns or bushes as their personal bathroom. Confrontations can occur when even the nicest people see their landscaping being “burned” by repeated pet urination.

Register Your Surveillance Cameras with WPD

by Kathy Hiller

WEG has been experiencing more thefts recently and with the help of more surveillance cameras, WPD hopes to locate and apprehend the person or persons who are doing this. If you are not signed up for the City of Woodburn’s Weekly E-Blast which is sent out each Friday, you may not be aware of their S.C.R.A.M. program. Their E-Blast from May 24, gives details on how we may help them - and ourselves - at the same time. Following is their message:

The Woodburn Police Department has officially launched their **Surveillance Camera Registration & Mapping (S.C.R.A.M.)** program. The Purpose of the Video Surveillance Registration Program is to provide the community with a means to assist the City of Woodburn Police Department in preventing and fighting crime. The program allows residents and businesses to register the locations of their exterior video surveillance systems with the Woodburn Police Department so that when a crime occurs, police will be able to identify the locations of nearby video cameras easily and efficiently.

Participation in this program is voluntary.

How it Works: Any City of Woodburn resident or business that has and maintains an exterior video surveillance camera or camera system within the City may register the location(s) of such camera(s) using the program registration form. Registration is voluntary and at no cost to the registrant. Registrants may ask to be removed from the registration program, or request edits to their information at any time, by contacting WPD at scram@ci.woodburn.or.us or call 503-982-2345 during normal business hours.

Only law enforcement personnel who are investigating a crime near where video surveillance systems are registered will have access to registration information. Police personnel, if necessary, may request to view or retrieve a copy of any video recording captured by a registrant's surveillance system, which may assist in the investigation of a crime.

An individual's personal information that is tied to, or associated with their registration will be kept confidential by the City, except as required by law.

Registration in this program does not obligate the Woodburn Police Department, or police personnel to monitor or inspect the location of a registered surveillance system or take any targeted law enforcement action in response to activities observed or not observed through a registrant's video recording.

As needed, the Police Department will reassess this program and consider any appropriate changes needed to ensure the program's success.

Thank You

I would like to take this opportunity to thank some very wonderful friends, neighbors, family and members of the Chamber of Commerce who provided me with meals, transportation, and their moral support. My surgery and rehab made me realize that I was important to them and so grateful to all of these wonderful people. I want you to know that I want to be there for you if ever you need someone. Again, thank you so much!

Planter Box Elf Identified!

Mary Robb

by Kathy Hiller

I had often wondered who the magical “elf” was who changes the flowers in the planter box in the breezeway. Finally! I found her! It was Mary Robb, who “magically” refreshes the plants every now and again..

Mary, among several other unknown volunteers, takes their time and energy to do this and many other “little projects” around our clubhouse and community. I’m thinking also of Bill and his little dog, My Girl, who spruces up the Senior Estates Park. Some of the volunteers, like the Green Thumbs, are a bit more organized. But there are those who just see something that needs doing, something they can do, and they just do it. I’d love to know of others.

Do you know of anyone who is working “behind the scenes” but should be acknowledged? I know of a few, such as Leonard Schmidt who tends the rose garden. He has helpers, and I met one of them not long ago but cannot remember her name. And then there are the library ladies, headed by Heather Taylor, who are often overlooked, but regularly restock the returned books to keep the library in order.

With new carpeting being scheduled for replacing in the hallways, library, lobby, golf lounge (and possibly other areas in the west wing of the clubhouse), the library ladies especially need to be informed, since all the books have to be maintained in some semblance of order. The last time books were moved by others, it took many additional hours to get everything back in their correct order. Not a job for beginners.

Ryllis Linday’s 100th Birthday Celebration – June 3, 2019

Ryllis Linday (front), Jim Linday, Brett Linday, and Mike Linday

by Kathy Hiller

Ryllis Elizabeth Paine was the fifth child born to Paul and May Paine in Superior, Wisconsin. She was the first girl after four brothers – William, Emerson, Maynard and Robert who are all now deceased.

In 1940, she married Charles Linday. Their first meeting was on a blind date. Afterwards, her mother asked her how her date went. Ryllis said she didn’t really like him, his nose was too big. He had other good qualities however, because after marriage, she gave him three sons – Charles Jr. who was stillborn, James, and Michael. Jim and Mike gave her seven grandchildren. Jim is father to: Cerissa, Nichole and Brett. Mike is father to Christopher, Matthew, Nicholas and Katherine. She also has five great-grandchildren - so far.

Some may know that Ryllis is the author of two children’s books – “Look at Me” (1959) and “Now I am Two” (1963). Both are out of print but a few used editions are available on Amazon.

She says her happiest days were when she had her boys. She had prayed for a boy baby as they traveled through Boys Town, Nebraska, on their winter pilgrimage and her prayer was answered – three times!

Charlie & Ryllis were snowbirds for many years, traveling to Mesa, Arizona, for the winter. They lived in Minnesota and Wisconsin when they were first married. They moved to Oregon, living in Salem, Lake Oswego and finally Woodburn Estates. They often met former classmates from Wisconsin when they traveled to Arizona.

After Charlie’s passing in 1995, Ryllis continued to snowbird. In 2009, when she was in Arizona, she was showering when she passed out, fell and broke both of her ankles. It took her several minutes to wake up and assess her situation. She could see that she was bleeding and tried desperately to crawl out of the shower to get to her telephone on her night stand in her bedroom. Try as she might, she didn’t have the strength to raise herself up to get out. She finally prayed: “Charlie, you were so strong in life, please help me!” Amazingly, she immediately felt “lifted up” and was able to then crawl out of the bathroom, around her bed and reach her phone to call for help. She was hospitalized and spent several months recuperating. Her physical therapists were so impressed with her determination to get better, because she did all the exercises they needed her to do and she recovered very well.

Ryllis’ goal for the past couple of years was to make it to 100, and thankfully, this too has come to pass. She is still sharp in her thinking and enjoys that she is able to still live in her own home with minimal assistance. Happy Birthday, Ryllis! Thank you for the party today!
