#### **Mascot for The Estates?**

by Kathy Hiller and Anna Phillips

Some of you may have already noticed the swan that is on top of the sound wall at Country Club Road and Highway 214. Anna Phillips saw it and sent in a photo and suggested it might become The Estates mascot. Does anyone want to submit a name for this elegant bird? I'm already thinking "Swanee".

#### **Pet Responsibility**

by D. Rector

I realize that a dog is sometimes a very important component of one's happy life. A pet is one way to promote exercise and companionship that is often lacking in our lives as we age. I get that, and fully understand the significant part a pet can play in a life. However, I choose not to have a dog. I do not want to be responsible for the care of a dog.

Having said that, recently I have had three piles of dog crap in my yard. One was found in the back yard and two were in my side yard. I have placed a sign and some bags out front and would really appreciate it if all pet owners would accept the responsibility that pet ownership entails. [This includes picking up after their messes - not leaving it in neighboring yards. Ed.]

Thank you for your cooperation.

#### **Neighborhood Walk About**

Forrest Gutshall with Annie & John Detwiler

#### by Lettie Zimmerman

Walking along Princeton Road and Vanderbeck Lane, I often see John Detwiler and Annie, his Shih Tzu/poodle dog. John adopted Annie from Hope Haven in Salem shortly after his wife died three years ago. Annie was the perfect match for John. She is affectionate and has a mild temperament. She previously lived in a nursing home and was used to the elderly population. John wanted to share Annie with other people, so they went through training for Annie to become a certified therapy dog. She passed the test that demonstrated her ability to avoid distractions, follow commands, and calmly respond to being handled by a variety of people.

When Annie is working she wears a vest with a patch that says "Therapy Dog Please Pet Me." Annie is also a certified service dog for John. She is able to sense and alert him when his blood pressure is dropping so he can take his medication.

I joined John and Annie on their weekly visit to nearby French Prairie Care Center, Cascade Park Senior Living, and Heartwood Place Memory Care.

On each stop the staff helped direct us to residents who would enjoy interacting with Annie. If John said "up

Annie" she put her paws on a seated person's knees or sat on a person's lap to be within reach for petting. Several bedridden people broke into joyful smiles and laughter when Annie sat on their beds to share affection.

At French Prairie Care Center we saw several members of The Estates and are pleased to report that Forrest Gutshall, the man in the picture with Annie and John, has returned to his home in The Estates. At Cascade Park we visited the exercise group. Annie was a great reward to them after their workout. At Heartwood Memory Care, residents were settling into their beautiful new home. John and Annie also visit the Salem Hospital pediatric unit. Wherever they go, they brighten peoples' day!

### Women's Golf Club Meeting

#### **Estates Women's Golf Club General Meeting** July 21, 2014

President Sandy Blaylock called the meeting to order at 11:30 a.m. A Quorum was determined followed by the Pledge of Allegiance. A motion was made by Louise Davidson to approve the June 16 minutes as published in the News & Views on June 27, 2014. Seconded by Becky Butts. Motion passed.

Treasurers Report - Nancy Reed: Reported that \$25.00 was sent to Leonard Schmidt for Rose Garden Maintenance.

Financial report ending 5/30/2014:

Balance \$7,380.48 \$1,562.99 Total Deposits Total Expenses (\$4,083.89) \$4,859.58 Balance 6/30/14

**Secretary - Arlene Langendoerfer:** Absent with notice. Bernadine Bourne is filling in.

VP - Jan Stein: Reported that \$ 600 is allowed for pay-outs for the Club Championship on August 11 & 13. The 9 and 18 holers need to sign-up by August 6. It should be a lot of fun.

Sandy Blaylock stated that she would like to give her Medallion to Shirley

Nancy Reed stated that \$50.00 for membership was collected. She also has a box of old records from 2002-2011. Janice Aiken suggested where they might be stored. It was also suggested that a work party be formed to go over the records to see what to keep and what to put on the scanner.

#### **COMMITTEE REPORTS:**

OGA - Nancy Littlemore: The OGA Packet has arrived. The OGA Directors handbook was enclosed, and the 2014 schedule will be posted.

Membership & Books - Marge **Epling:** Read by Nancy Reed. "There are now 48 9-hole members and 56 18hole members and 12 social for a total of 106. There is a deposit of \$50 which is dues from new member Judy Fredericks. She is going to be a 9-hole member, and the reason the number stays the same for the 9-holers is because Patty Cummings has changed from a nine to eighteen. Thanks, Marge."

Social - Penny Sealy and Louise Davidson: No meeting or Lunch in August.

Handicap - Marlene Johnson: August 11 and 13 is the Club Championship. Don't forget to sign up. I want to remind everyone to remember to put your scorecards in the white box before you leave on play day. We cannot accept a score card turned in at a later

**BOD Golf Chair - Janice Aiken:** Plantings at the 12th tee box - We have not made much progress on the plantings. Tim O'Larey has been in communication with the Nursery where he obtains nursery stock. They have indicated that it is not a good idea to plant rhodies and azaleas in front of a white vinyl fence because the radiated heat from the sun off the fence would burn the plants. Yardage Marker on 1st Tee Box - The yardage marker will be placed between the two tee boxes on number 1. Concerns that were discussed -Tim O'Larey gave a report on work that has been completed and work that will be completed on the Golf course.

- 1. Lines in front of the greens Tim will be putting an orange line in front of greens to direct golf carts.
- Golfers need to follow the 90 degree rule on the course. Do not drive down the fairways.
- Two more trees will be planted behind the 18th green when weather cools.
- The Estates sign on # 1 needs repair and cleaning. The Woodcarvers Club will be asked if they would be interested in making a new sign.
- Apple tree on 10; could someone trim up this tree in the fall?
- Tim will begin spraying for grubs on 10 and 13.
- Tunnel Carts are not visible going through the tunnel. Could a light and switch be put at each end of the tunnel so that golfers know when a cart is going through the tunnel? Need fencing on the north side of tunnel, the same on the south side of tunnel. This is a safety issue.
- Would like to see blinkers (like the pedestrian crossing blinkers) at the

crossing on Rainier Road and W. Hayes Street to stop traffic when carts are crossing.

Sharon Schaub has been asked to follow up on items # 7 and #8 and find out who is responsible: the city, the state, or the golf course.

Tim's Report update:

- Trimmed suckers off the poplar 1. trees.
  - 2. Pruned the weeping cherries.
- Pruned low-hanging branches on cedar, spruce and pine trees on several holes.
- Pulled stumps from left side of #4 fairway and behind #12 tee.
- Investigating and repairing irrigation heads where the ground is wet around the sprinkler. Have found some heads that were not running and repaired those.
- 6. Continuing to trim around new sprinkler heads.
- 7. Continuing to remove old sprinklers and level fairways where the old sprinklers were.

On Tim's to-do-list:

- 1. Plant arborvitae along the 4' fence behind #12 tee.
- 2. Measure distance from part circle sprinklers to property lines and order and install back nozzles.
- 3. Paint orange lines in front of greens to direct golf carts.
- 4. Level lateral lines of new irrigation system that are ruts across the fairways.
  - 5. Put the tee sign back on first tee.

Mixed Tournaments - Diana Lindberg: Absent with notice but submitted e-mail to be read by Nancy Reed. "We have had a busy season since the last meeting. The shotgun starts have proven to be successful this year. We are finishing the game in about 4 hours and 15 minutes. We have had an average of 132 players at the 4 tournaments and 18 extra guests for dinner. We look forward to the over 80, sponsored by McCully Realty, on August 4th. On August 9, the Woodburn Hearing Center Tournament is a two-person scramble, with signups starting today July 21. We will have another "closest to the line" competition on August 9. Thank You, Diana."

# Country Meadows Barbecue

Submitted by Laisha Kneuven

Virlene & Danny McMurry

In September 6, we served over three hundred people the best ribs in town! The costume prizes were dinner for 4 that went to the best dressed cowboy (Don Hofstetter) and cowgirl (Doris Hatcher) and the best dressed couple (Don & Jeanne Hofstetter). So sorry if anyone missed out by getting there too late.

Some of the wonderful comments were: **Betty Bunnell**, "I don't usually like ribs but these are delicious... best ribs of all! It was a delightful picnic lunch." Wayne & Sharon Wilkerson, "Awesome! Good ribs. Better do it again!" Doris Hatcher, "I'm having a wonderful time. Glad I came." David Bunnell, "The food was delicious and the Uke-de-do's are really good! Seems like the group is bigger than last year." Stan Hiller, "Excellent food, glad The Estates has such a good relationship with local retirement communities." Phyllis Rummer, "The BBQ is wonderful! It is so nice to be out and about with people." Marjorie Thompson, "The BBQ is great, just wonderful and everybody likes the Uke-de-do's." Evelyn White, "This is super, wonderful and exciting! The food was delicious!" Donna Smith, "It was wonderful. I thought it was great! Lots of fun!" Louann Bock, "The BBQ was swell!" Peggy Matter, "The food was really great!" Sharon Schaub, "Exciting energies, great food and community closeness!"

# Another Lovely Tea...

by Kathy Hiller

Friday, September 12, was the date of the latest Vintage Tea. Betty Bunnell is the leader in the kitchen and she has lots of experience with teas. She used to have a neighborhood tea once a week at her house. The entire list of workers were Betty Bunnell, Becky Butts, Vona Horn, Connie Lum, Sharyn Cornett, Ginnie Schuster, Pat Petersen, Jan Robarge, Rita Girard, Mary Bowling and the escort/servers Don Hofstetter, Stan Hiller, Nancy Dale, and Tom King. The door prize drawing winners were nearly all Bettys! Betty Brendle, Betty Koessel, and Betty Farr each had her name drawn. Larry Burns was the only male who won. He and Bob Price were the two gentlemen who joined the 38 ladies at the tea.

If you have never attended a tea, I encourage you to do so. The food is wonderful and all of the servers are very nice.

#### **Zucchini Season**

# by Donna Wood, Estates Writing Guild

Now is the time to do something about saving your zucchini harvest for the winter. Previously I have frozen thinly sliced whole unpeeled smaller ones in zip lock freezer bags. These can be dumped into a soup in the winter, or thawed and soaked in milk or dipped into lightly beaten eggs and then covered in bread crumbs and fried in vegetable oil. Another way to preserve them is to shred the larger,

seeded, peeled ones and make them into bread. The loaves freeze very well and are welcome in the winter as a quick treat.

Recently a friend gave me the idea of freezing shredded zucchini, a cup at a time. Many recipes call for one or two cups of shredded zucchini, so this sounds practical and especially useful for using up those large zucchini that "got away". Here is a quick recipe for turning shredded zucchini into patties:

#### **Zucchini Fritters**

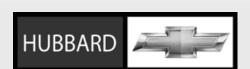

Combine 2 cups of grated zucchini with 1 grated onion, 1 slightly beaten egg, 2 tablespoons of wheat germ, 1/2 teaspoon of tarragon leaves, 2 or 3 tablespoons of flour and salt and pepper. Drop a tablespoon at a time of the mixture into vegetable oil on medium heat in a frying pan. Flatten with the back of the spoon. Turn when brown. Drain onto a paper towel and season with seasoned salt before serving. Can be reheated.

Wondering what to make for Christmas gifts this year? How about some homemade zucchini marmalade?

#### Marmalade

Combine 1 peeled, seeded, chopped orange, 1 8-ounce jar of chopped maraschino cherries and syrup and 5 pounds of shredded zucchini in a large cooking pot. Add 1 20-ounce can of pineapple and juice, the juice of two lemons and 5 pounds of sugar. Cook until desired thickness. Pour into sterilized jars and seal.

Whoever thought zucchini could be so good?

### **Protecting Your Computer from Identity Theft**

# Submitted by Colleen Quirion, Police Corporal WPD

One overwhelming component that I have found in dealing with Identity Theft and various other scams is the use of computers and the internet. Although many of us are not 'up to date' on the latest computer gadgets, issues, etc., we can still play a role in making it more difficult for people to access our information on our own computers. I visited the FBI website (http://www.fbi.gov/scams-safety/ computer protect) to find solutions for those in my community to take basic steps to protect themselves and their computers and found the following information useful:

Below are some key steps to protecting your computer from unwanted intrusion:

- Keep Your Firewall Turned On: A firewall helps protect your computer from hackers who might try to gain access to crash it, delete information, or even steal passwords other sensitive information. firewalls Software are widely recommended for single computers. The software is prepackaged on some operating systems or can be purchased for individual computers. For multiple networked computers, hardware routers typically provide firewall protection.
- Install Your or Update **Antivirus Software: Antivirus** software is designed to prevent malicious software programs from embedding on your computer. If it detects malicious code, like a virus or a worm, it works to disarm or remove it. Viruses can infect computers without users' knowledge. Most types of antivirus software can be set up to update automatically.
- Install or Update Your Antispyware Technology: Spyware is just what it sounds like—software that is surreptitiously installed on your computer to let others peer into your activities on the computer.

Some spyware collects information about you without your consent or produces unwanted pop-up ads on your web browser. Some operating systems offer free spyware protection, and inexpensive software is readily available for download on the Internet or at your local computer store. Be wary of ads on the Internet offering downloadable antispyware—in some cases these products may be fake and may actually contain spyware or other malicious code. It's like buying groceries—shop where you trust.

- Keep Your Operating System Up to Date: Computer operating systems are periodically updated to stay in tune with technology requirements and to fix security holes. Be sure to install the updates to ensure your computer has the latest protection.
- Be Careful What You Download: Carelessly downloading e-mail attachments can circumvent even the most vigilant anti-virus software. Never open an e-mail attachment from someone you don't know, and be wary of forwarded attachments from people you do know. They may have unwittingly advanced malicious code.
- Turn Off Your Computer: With the growth of high-speed Internet connections, many opt to leave their computers on and ready for action. The downside is that being "always on" renders computers more susceptible. Beyond firewall protection, which is designed to fend off unwanted attacks, turning the computer off effectively severs an attacker's connection—be it spyware or a botnet that employs your computer's resources to reach out to other unwitting users.

If you are having difficulty with the information provided, find a <u>reputable</u> computer sales or repair company for assistance. They should be able to show you some basic steps to protect your computer, which could very well protect you in the long term.

# Thank Yous

To all of The Estates,

On October 16th, we will be celebrating our two year anniversary. We have had a wonderful couple of years and have made great friendships along the way. My staff and I would like to thank you from the bottom of our hearts for welcoming us with open arms and for treating us as part of your Estates family. You are the reason we love what we do! Thanks for all the support.

Sincerely, Renee & Staff at Country Cottage

I sincerely wish to thank everyone who helped me through June, July, and August while I was at Benedictine and French Prairie Nursing Centers recovering from an infection that caused the removal and eventually replacement of my artificial hip. All the cards that I received were read many times over. The phone calls and visits from thoughtful friends definitely made my days go faster and the wonderful roses cheered up a dreary room. A special thank you goes to those special people who took care of my laundry, came to play games with me to pass the time, brought me my mail and made time to shop for me when I was sure I couldn't get along without something. After twelve plus weeks, I am finally home where I am continuing my rehabilitation so that I can return to golf and other activities. Call or stop by if you have some time. Thank you again to a wonderful community of friends.

Mary Schueler

Big thank you everyone for attending the September 6th Country Meadows BBQ. It was great fun. Ribs are good but messy. Hope you all had a good time. Y'all looked GREAT! See you at the Pancake Breakfast September 27th and The Retro Las Vegas Elvis show on October 4th.

### **Showing Appreciation**

by Carol Wellington

It is not yet Thanksgiving season, but it seems that we, as a community, may be late in saying a heartfelt "thanks" to the many individuals who make The Estates Golf and Country Club function. One could say that those who volunteer and/or work here are the heart of the community. They keep the cogs of the machinery moving. These generous members are in many cases heaped with more destructive criticism than constructive criticism.

Constructive criticism "offers valid and well-reasoned opinions about the work of others, usually involving both positive and negative comments, in a friendly manner rather than an oppositional manner." Destructive criticism can create a climate of war, not peace.

No one wants to offer to help in an organization where he/she will be subject to an inordinate amount of negativity. If we try, we can "accentuate the positive and eliminate the negative" as Johnny Mercer and the Pied Pipers said decades ago! Should this happen, many more members of the community may volunteer for leadership roles as committee or board members. What a great outcome that would be.

#### I HAVE NEVER HAD AN ACCIDENT BEFORE - MY CAR IS A MESS

I never had an accident before - What should I do? My car is a mess – the insurance agent wants me to have the work done out of town – with a repair shop I have never heard of before. Do I have any other choices? Or do I just follow my insurance company like a lost sheep? Who can I talk to about my deductibles? I'm looking for a familiar – friendly face that I can rely on.
