

Centenarian Celebrations

by Kathy Hiller

Helen Dubuque was born in San Francisco, California, on February 19, 1909. She has lived in various places all along the West Coast all of her life. I first met Helen one day when Stu Spencer from Woodburn Parks & Recreation arranged for an adult outing in a hot air balloon. As it happened, Helen was another passenger. This was in August 2009 when she was belatedly celebrating her 100th birthday. The Woodburn Independent printed a big front page photo of her celebration. The photo was taken while we were all gliding along 1,000 feet or more above the ground, with Mt. Hood in the background.

At that time, Helen still lived independently in her house on Umpqua Place at Senior Estates Golf & Country Club. A few years later, she moved to Panor Condominiums where she maintained her independence. A few days before her 106th birthday on February 19, 2015, a few of Helen’s relatives moved her to Mt Angel Towers. It was her good friend, Beverlee Koutny, who answered her phone when I called to ask to take Helen’s picture and do a short write-up for our paper. Beverlee said I should look for them in the dining room, since they were going down there for dinner. I enjoyed visiting with both of these nice ladies and I am very happy to report that Helen is still very alert and full of life.

Edna S. also joined the Centenarian ranks when she turned 100 years old on February 16, 2015. She didn’t want her picture or any other information shared in the paper, but we wish her a very happy 100 years!

Writers and Photographers!

by Connie Doyon

We need your submissions! We are looking for articles and pictures of human interest and humor to share with our friends and neighbors. Some of our residents are homebound and look forward to reading the *News & Views*. Your personal experiences and observations about life, love, children, and pets are feel good stories enjoyed by all; things that happened that made you laugh, cry, and just plain made you glad you are alive. If it was interesting to you, it will probably be interesting to others. Stories about your friends and neighbors will help us to get to know different personalities in our community. Even stories about your former job or volunteer projects may inform and be of interest to others. The *News & Views* newspaper is widely distributed among our advertisers and neighbors as well as on our website. Please be aware of this when disclosing personal information in your articles.

We are always looking for something to print of interest to our community.

Music Makers for March

by *Cathy Williams*

Our meeting is on Monday, March 2, at 1:30 p.m. in the Auditorium. Our tables will be decorated by Arlene Egli and Bonnie Block. Our cookies will be provided by Rita Girard and Doris Rogers. Our entertainment will be provided by Glenda McLean, who is graciously filling in for LaVerne Morris. LaVerne has a severe strain of the left shoulder that required a trip to the ER and strong pain medication. A get well card has been sent. If you know of others in our group who

are hurting, call Cathy at 503-981-8860. Life is not always lucky, but we are lucky to live in a community where caring and love abounds. Come share it March 2.

“Voodoo Mardi Gras”

What happened?!? “Mardi Gras” came early this year, right after Valentines’ Day! The only solution is magically move the merry spirits of Mardi Gras to March 14th. So, pull out the fancy masks, beaded necklaces, Voodoo dolls, and costumes for a “Voodoo Mardi Gras!”

We’re decorating the Woodburn Estates & Golf auditorium, located at 1776 Country Club Road in green, gold, purple and black for our “Voodoo Mardi Gras” The fun starts at 7:00 pm as our “merry prankster” house band “Billy & the Rockets” rock the house with Cajun inspired, New Orleans’ style rhythm and blues.

“Ah Guarrrontee ...” your \$8.00 admission gets you into the party, and automatically enters you in the evening’s drawing for a number of Voodoo door prizes. All of that fun works up an appetite, so be sure to sample an assortment of snacks and desserts provided by our friends at Cascade Park Retirement Center. Don’t forget to take advantage of the chance to win a big cash prize by participating in the evening’s 50/50 raffle. Bring a friend or lover to this crazy party! Everyone is welcome.

Next up: April showers bring May flowers as pink and white blossoms fill the Woodburn Estates Dance and Social Club’s April 11th celebration of spring. “Billy and the Rockets” will bring you a romantic dance dedicated to “April Love.”

St. Monica’s Circle

by *Ryllis Linday*

St. Monica’s Circle met on February 2nd at Rubis Hall in the St. Luke’s school, with most of its members being present. Becky Butts conducted the meeting with Pledge of Allegiance to the Flag and prayers. Katy Taylor gave a complete report as secretary. Barbara Campbell was absent so Becky gave us the report on finances.

One new member, Pauline Cionne, attended and we were happy to greet her. We hope she returns in the future, which reminds me that anyone is invited to join us anytime. We meet on the first or second Monday of each month except while we

are on vacation in July and August. Sometimes we move to the second Monday if the first Monday is a holiday or taken by a special golf party.

Becky thanked Katy Taylor and Rita Girard for helping her serve coffee, rolls, and orange juice. Gertrude Rees announced the following workers are slated to launder church linens: Toni Perry, Marilyn Conway, and Rita Girard. Our Sunshine chair was absent, so no report. Rita read extra prayers before the meeting adjourned for lunch.

The tables were decorated with red carnations, white place mats, and each place was beautifully decorated with a huge Valentine cookie topped with red sparkles, tied with a red ribbon, and served on a paper red heart. It was quite spectacular, thanks to our President Becky. She served a very appetizing soup of corn chowder and chicken with vegetables and more of her special bread, olives, pickles, carrots, celery, and a very special dessert with raspberries and Jell-O served over angel food cake. It was delicious.

It is surprising what Becky and Rita can do to please all of us. We are grateful to have them as leaders of our group. After lunch, the gals did the dishes, took down tables, and put everything away. Next month our meeting will be on March 2nd. Looking forward to seeing you.

P.S. We couldn’t help noticing what a wonderful job our new custodian has done to the floors. Our kitchen’s floor looks almost new.

Who’s On Third?

by Nancy McGillivray

Woodburn’s own *Billy & the Rockets* will perform at the March 15 “Who’s on Third” concert at the Woodburn United Methodist Church. Formed from seasoned musicians, this high energy, rock n roll era group combines classic dual lead guitars, upright bass and drums, with outstanding vocals to deliver the authentic sounds of 1950’s American pop music. They perform songs such as *Hello Mary Lou*, the *Great Pretender*, *Fly Me to the Moon*, *Blue Suede Shoes*, and many more.

There will be the usual mid-concert intermission with refreshments, and a freewill offering taken to cover costs.

Woodburn United Methodist Church is located at 700 N. Cascade Drive, just south of the Cascade Park Retirement complex. Mark your calendars for Sunday, March 15, from 3-4:30 p.m. Call the church office at 503-982-2891, if more information is needed.

Local Meals on Wheels Program

by Beth Mathews, Meal site Coordinator

Volunteer Drivers, Runners and Kitchen Workers Are Needed!

Northwest Senior and Disability Services Senior Nutrition Program serves lunchtime meals to homebound seniors in 5 Oregon counties. There are 17 meal sites assisting seniors in over 40 communities, and over 950 hot meals are delivered daily. Last year, 225,000 home-delivered, frozen and congregate meals were served in Marion, Polk, Yamhill, Clatsop and Tillamook Counties.

Woodburn has one of the largest senior meal sites within the agency and averages almost 100 hot meal deliveries daily. During the past 12 months, volunteers delivered 23,315 hot and frozen meals. They also served 9,110 hot meals to congregate diners, or about 32,425 meals to seniors in North Marion County in 2014.

None of this would be possible without the help of volunteers. Program wide there are over 500 volunteers each working a couple of hours a week. Some of the Woodburn volunteers and drivers have been helping for over 10 years. We recently had a driver retire at age 90 after almost 18 years of driving.

All our volunteers are grateful for the opportunity to help our clients and assist them in maintaining their independence and dignity which allows them to remain in their own homes longer. It is very rewarding for the time and energy they put into the Meals on Wheels program each week. Our volunteers range in age from 18 to 93 years old and usually only work a few hours a week.

We have 6 delivery routes daily between Woodburn and Hubbard, and are looking for drivers a couple shifts a month. It usually takes about an hour to deliver meals. I am hoping for a few on call or substitute drivers willing to fill in when needed. Volunteers are also needed to help package meals and work in the dining room 2 to 4 hours each shift.

Volunteers are the heart and soul of the Meals on Wheels Program, and we wouldn’t be able to serve our clients without them. As people are electing to remain in their homes longer, the routes continue to grow and more help is needed daily.

If you are looking for something fun and rewarding to do a couple of hours a week, then maybe the Woodburn Meals on Wheels program is for you! We offer mileage reimbursement to drivers and also are required to do background checks on all delivery drivers and runners. If you would like more information about all the volunteer opportunities and shifts available, call Beth Mathews, Meal site Coordinator at (503) 981-3470 after noon, Monday - Friday.

Behind the Scenes at *News & Views*

Sharon Wright, Vicki Spencer, Retta White, Bill Oleen, Linda Oleen, Marge Epling, Mike Burton (barely seen - Nancy Dale, Stan Hiller)

by Kathy Hiller

The *News & Views* room was a very busy place on February 12! Besides the regular newspaper delivery which is handled by Vicki and Will Spencer (they count out the papers for each route), we also had two additional inserts to stuff into the papers; and the 2015 directories had also arrived and needed to be counted out.

Estates Dance & Social Club members Sharon Wright, Mike Burton, Nancy Dale, Marge Epling, and Retta White, plus Cowboy Church members Bill and Linda Oleen, and Directory Sales Manager Stan Hiller, got busy stuffing the extra inserts into the papers. Vicki and Will Spencer had to work hard to keep ahead of them. I could see that we need a better method for this, and will work on it with Vicki and Will and the rest.

The delivery of the directories is a big task in itself. These directories are heavy and slippery. One delivery person quickly learned this first-hand as he was going out the door – the 40+ phone books took on a life of their own, cascading from his arms onto the floor in the doorway of the *News & Views* office. They were quickly picked up and corralled into a box for easier handling.

Not all the paper delivery folks are physically up to delivering the additional weight of the phone books, so others take over that part. Big thanks to Don Robarge

and Stan Hiller and the directory sales crew for their help in that area. Stan feels a big ownership of the directory since he is the sales manager. He reports that the 2015 directory earned a new record gross amount this year, due to gaining more color pages, more advertisers moving up to color, and more new advertisers than the ones who canceled.

ESTATE-SIDE ENTERTAINMENT

Two Sisters & a Mr.

by Kathy Hiller

Formerly Two Sisters Trio, when one of the “sisters” moved to the Southern Oregon coast, they became *Two Sisters & a Mr.* They added a “husband” whose rich voice adds a special touch of class and elegance to the mix. And on February 8, a good-sized audience enjoyed their fabulous 1940’s style entertainment in the Clubhouse Auditorium.

The Two Sisters performed their debut at a major fund-raising USO show for “The Wings of Freedom Showcase”, a project that is dedicated to restoring “The Bomber” a WWII B-17G located in Milwaukie, OR.

In WWII era influenced attire, including hats and gloves, they sing songs such as *Tuxedo Junction*, *Boogie Woogie Bugle Boy*, *Don’t Sit Under the Apple Tree*, and the McGuire Sisters’ timeless hit, *Sincerely*. Their repertoire also includes 1950’s and 60’s classics, country, gospel and patriotic favorites.

Jeanne & Don Hofstetter - married 60 years on Feb 26

by Kathy Hiller

There was a larger than usual turnout for the Valentines Dance in the Woodburn Estates & Golf Auditorium. No doubt, this could have been largely due to the Lover’s Holiday falling on a Saturday, or perhaps because a local favorite, the Supernaturals, was the night’s band. Anyway, there were many couples dancing, or visiting with others, or maybe remembering a night from long ago, when we were all young, and in love. Sigh...

2nd Annual Community-wide Garage Sale!

by Kathy Hiller and Terry Merritt

It's not too early to be thinking about participating in the 2nd annual community-wide garage sale, which is planned for the last weekend in July. We would like to poll the community to determine which days and hours suit the majority. Please fill out the survey form above, and let us know your preferences. We will be running this form in the *News & Views* on the fourth Friday edition through May, but don't delay responding.

We are also planning on making eight permanent sandwich board signs for the main enterences to Woodburn Estates & Golf that can be used year after year. Donations toward the materials for the signs and the ad that we will place in the *Woodburn Independent* would be appreciated.

Bear In There

by Shel Silverstein

There's a Polar Bear
In our Frigidaire--
He likes it 'cause it's cold in there.
With his seat in the meat
And his face in the fish
And his big hairy paws
In the buttery dish,
He's nibbling the noodles,
He's munching the rice,
He's slurping the soda,
He's licking the ice.
And he lets out a roar
If you open the door.
And it gives me a scare
To know he's in there--
That Polary Bear
In our Frigidtydaire.

Cell Phone Lessons And More...

by Sharyn Cornett

I am getting computer and cell phone lessons from Stephanie, the hostess in the Country Cottage Restaurant.

I wanted to share this because she is willing to give lessons, private or group, to anyone who needs help. She is available on Monday, Tuesday, and Wednesday after 4:30 p.m. in the Conference Room here at Woodburn Estates & Golf.

She can help you with phone choice, tablets, Kindles, and most electronic devices people use now days.

A sign-up sheet will be on the bulletin board for your name and phone number or contact her in the restaurant. She has been very patient with me, easy to work with and I have learned a lot. My granddaughters are proud of grandma! Never too old to learn new things!

The charge for her time can be negotiated, but a suggested price of \$12.00 per hour is adequate.

I HAVE NEVER HAD AN ACCIDENT BEFORE – MY CAR IS A MESS

I never had an accident before – What should I do?
My car is a mess – the insurance agent wants me to have the work done out of town – with a repair shop I have never heard of before.
Do I have any other choices? Or do I just follow my insurance company like a lost sheep? Who can I talk to about my deductibles?
I'm looking for a familiar – friendly face that I can rely on.

For honest answers to all your questions – call Doug at Woodburn CarCraft
