FUN FAMILY GOLF DAY

Father-Son Time on Father's Day

Lonnie & Garrow Benham

Nick & Paul Frankus

3 Generations Enjoy Family Golf

Jim & Betty Burrows enjoy the day with their daughter, Christine Cyphers, and grandson Grant

by Diana Lindberg

Family Golf was started as part of the 50th Anniversary for Woodburn Estates & Golf* as a thank you to our members and associates allowing them to bring family on the course and play for one or two special days.

The board has seen the value of this event and has allowed it to continue as part of the approved Golf Tournament / Activity Committee schedule since then. Participants have shared that they are grateful that Woodburn Estates & Golf has this event and that they had so much fun.

It looked like we might be rained out this year, but we missed the rain “most of the time” except late Saturday. Sunday turned out to be beautiful golfing weather. We had steady play on the course, and yes, with many fathers on Father’s Day.

Players are happy that this is the low key, FAMILY fun event that it has always been. Family Golf is intended to be a what the name implies – Time with Family having fun. After a break it was nice to get back to “normalcy” and play once again.

Thank you to the following:

- Our Pro Shop staff for taking the tee times.
- The 2021 board for approving the continuation of this event.
- Dave, our golf course superintendent, and crew, for a golf course of which we are proud.

This was fun. Hope you can join us next year.

They Listened to Us Senior Estates Park Update

by Karen Linton

For those who are unaware, “our” park is on Country Club and Astor, which is one of many parks in the city of Woodburn. Therefore, the city is the one that maintains it. However, they do listen to us.

Last year, we submitted a petition to have an off-leash area and they responded by having an unfenced, but marked, off-leash area for dogs. While that was nice, we really wanted a fenced area. So, they applied for and received a grant from AARP that should be enough (or close to enough) to fully fence an area for an off-leash dog park!!!! There is no decision yet on where in the park the fenced area will be — the Parks and Recreation Committee will be voting on that soon. So, if you have an opinion on where it should be, please text me at 830-708-7983 and I will submit the most popular ideas to the Committee before they vote. A special thanks to the City of Woodburn! Thank you for listening!

Also, the City Parks have received COVID funding that was used to purchase a new drinking fountain for our park! It will be installed as soon as the city construction personnel can do it.

Rose-a-Rama Tournament

by Karen Ewing

On June 4, 2022, Sixty-two WEG lady golf members and their guests played 18 holes of golf in the normally annual Rose-a-Rama Tournament which hadn’t been held since 2019. They started the day with a continental breakfast and then followed it with a luncheon provided by the Country Cottage Restaurant. There was a 50/50 raffle, several gift baskets, raffles, tee prizes, and payouts for the winning teams. A great time was had by all despite the intermittent rain!

The Tournament Committee would like to thank Mickey Harrison, Joanne Delnick, Nancy Reed, and Jan Stein for all their hard work. Special thanks go to our sponsors without whom there would be no tournament:

Everyone who participated received a prize, so truly everyone was a winner regardless of their golf score!!

Stir-Together Five Bean Salad

by N&V Staff

No time, no problem: Crisp, cold, sweet, and sour, this easy five bean salad is a quick side dish that feeds a huge crowd and can mostly be assembled with pantry ingredients.

It's vegetarian, gluten-free, dairy-free, and nut-free, which makes it a good choice for diners with varying or unknown dietary needs. The dressing is easy to alter to your preferences — go heavy on the vinegar for a sharper bite or use olive oil for a different flavor. Make it at least one day in advance and let chill overnight so the flavors can mingle and develop.

Ingredients

- 1 can each green beans, wax beans, kidney beans, garbanzo beans, and cannellini beans
- 1 medium sweet onion, minced
- 1 cup celery, chopped small
- 1 green pepper, diced

For dressing:

- About 2 cups apple cider vinegar
- About 2 cups of neutral oil
- 1 tablespoon celery seed
- 2 teaspoons ground mustard seed
- 1 to 2 tablespoons white sugar, if desired
- Salt and pepper to taste

Drain all canned beans. Discard liquid and pour beans into a large bowl. Add chopped vegetables and set aside. In another large bowl, stir together all remaining ingredients and adjust to your preferences.

Once the dressing is ready, stir again and mix with beans. Cover and place in refrigerator overnight to chill. Taste before serving and adjust again as desired.

Use a slotted spoon to serve — the salad will have a lot of dressing. Keeps in the refrigerator for about five days.

Out & About

by Karen Linton

Looking for a way to start your July 4th holiday? The French Prairie Kiwanis Club will be hosting an all-you-can-eat breakfast at Legion Park on July 4th from 7 am to 10 am. Available will be pancakes, eggs, ham & beverages for \$6 for ages 11+, \$4 for children 4-10 and free for under 3. This event started in 1954 and raises funds for projects benefiting children. This group meets at the Country Club Restaurant on Thursdays at 7 am.

There was a meeting at the City Hall held for citizen input on the 7-Eleven and 12 gas pumps proposed for the corner of 214 and Oregon Way. Residents who live on Oregon Way attended and questioned the group and declared their concerns and reservations. There are both safety and traffic worries for which the group did not receive adequate answers. Mickey Harrison, one of the residents attending, said that “It seemed that they had made up their minds to approve this project and nothing we said was going to make any difference.”

There are so many new developments being constructed or planned in Woodburn. Just recently there is a subdivision of 87 homes under review named Marion Point on the east side of Boones Ferry NE. Also, there is a proposal to annex 38.45 acres on Parr Road so that a development of 188 homes can be built that will be called Kalugin subdivision. Woodburn Place West Apartments have been approved at 211 and Molalla Rd. that will have 258 apartments in 22 buildings. A 513,000-sf industrial building is to be built at the end of Evergreen Rd. on part of the 50-acre parcel there.

If you like music and don’t mind traveling to Mt. Angel, Tune Tours is presenting live music, from Duke Ellington to John Denver, every Tuesday and Thursday from 2-5 pm and on Fridays from 7-9 pm. It’s at the Mt. Angel Theater Studio, 220 E. Charles, Mt. Angel. During other times, you can find Tune Tours performing all over the area at different venues.

Hot off the press! Our mayor, Eric Swenson, who won the Democratic primary to run for the state senate from our district, has announced he will no longer run for that office and will instead run for mayor again. The precinct chairmen, of which I am one, will meet to decide who should run for state senate in Eric’s place.

Rock on! Find the Love with Painted Rocks

by N&V Staff

Four years ago, Alexis Beals found herself in a hospital, fearfully waiting for a loved one to be treated, when suddenly she saw a funny-looking rock. It was painted to resemble a caterpillar, with other tiny rocks glued on to the larger one to create tiny feet.

On the back, was painted a sweet message. Beals was reassured and, a fan of all crafts, she was also inspired by the idea of painted rocks.

Beals is just one of the thousands of people across the country who have taken up the novel craft of painting rocks and placing them in places where they will be found.

It's a selfless craft because, while the painter spends time creating the rocks, the finder can keep it. Or leave it to be found again.

On the back, the rock painters often post a message or a Facebook page where you can announce your find. On Beals' Indiana Facebook page alone, there are 8,000 members, some of whom are finders.

The process is easy: Get a flat rock and clean it. Then use some inexpensive acrylic paint and some cheap brushes to decorate the rock. Some painted rocks are elaborate, some simple. In fact, if you aren't an artist, you can always buy a stencil and paint a silhouette. On the back, use paint markers to write a message or social media page. Then use varnish to seal in the design.

The next time you go for a walk, put your rock on a bench or along a path for someone to find.

Fitness Center Dog Days of Summer

by Karen Linton

So, you are planning a knee or hip replacement and your doctor says to get in shape before the surgery or lose weight before surgery and exercise after the surgery. Or you don't want to do a marathon, but you'd like to be able to take walks or ride a bike or just keep up with your grandkids! Or you would just like to get into better shape (round doesn't count!), but really don't know where to begin —

I have the answer for you! Did you know that we have a lovely workout center that's free for you to use? There are many machines both for gaining muscle and stamina, not to mention burning those pesky calories!

Don't know how to use the machines? Don't know which machine works best for what you want to do? There's an answer for that, too!

Allan Carter, a member living here in the estates, is a certified exercise therapist, certified senior trainer, certified nutritionist and holds many other certifications and awards. He generously shares his expertise with our members for a VERY nominal fee. He also has a fitness class, free to members, every Tuesday morning in the auditorium. He can be contacted at boomersgym.com. All of his certifications are on file in the office if you want to see them.

Once you know how to use the machines, you can come at your convenience — the workout center is open from 6 a.m. to 9 p.m. 7 days a week. Inclement weather may keep you from walking outside, but you can always "walk" on the treadmills in the heated/air-conditioned gym! After your workout, you can take a shower in our locker rooms and then swim some laps in our heated pool! Take advantage of the great facilities that are available to us!

It's hot. It's humid. The Dog Days are here.

The term Dog Days dates to ancient times when people studied the sky and relied on the heavens and the stars for navigation and spiritual sustenance.

These ancients looked into the night sky, before modern lights obscured the stars, and imagined that the constellations formed images of bears (Ursa Major and Ursa Minor), a bull (Taurus), and dogs (Canis Major and Canis Minor).

Sirius, called the dog star, was the brightest star in the night sky. It was so bright that the Romans thought it added heat to the earth.

In late summer, Sirius rises and sets with the sun, furthering the notion that the heat of the combined stars created the muggy, sultry weather. They called the 20-day alignment of the sun, and Sirius the Dog Days.

This alignment can vary in exact dates with the latitude of the observer and by the annual variances in the equinoxes.

Most of us know only that this period is too hot for a good disposition and look for ways to stay cool during those 20 days. We could go for a swim, take a vacation to a cooler climate, go to an air-conditioned theater, or spend a few leisurely hours shopping at the air-conditioned mall. Dress in cool clothes and don't overexert.

But if you are still uncomfortable, you can blame it on the big dog and that familiar old star, the sun.
