Woodburn PD Asks Community to be Vigilant

By WEG Office

The Woodburn Police Department came by to ask that we advise all our members to be extra vigilant as there seems to be a group that is targeting our community. The 'modus operandi' seems to be to have an urgent request of some kind that would allow them to come into your home. At one home, it was to use the restroom; at another home it was to get some water. The end results seems to be the same. One person distracts the owner while the other robs the home.

Always be cautious about allowing strangers in your home for any reason. We cannot be too careful.

The Woodburn PD is asking residents to call them if you see something out of the ordinary as they are trying to identify vehicles that are used.

Be vigilant; Be safe

What is Medicare Open Enrollment?

By N&V Staff

In October, you'll start hearing a lot about the annual Medicare open enrollment period. It is a time when existing Medicare enrollees can make changes to their coverage.

- During this time, you can do the following things:
- * Enroll in a Medicare Part D (drug coverage) plan
 - * Change from one Medicare Part D plan to another
 - * Cancel a Medicare Part D plan
 - * Switch from Medicare Advantage to original Medicare
 - * Enroll in a Medicare Advantage plan
 - * Change from one Medicare Advantage plan to another
 - * Enroll in a Medicare supplement plan if you want to switch from Medicare Advantage to original Medicare, Parts A (hospital) and B (medical).

The annual open enrollment period runs from Oct. 15 through Dec. 7.

If you are on a Medicare Advantage plan, you may want to review what plans are available. Selections change each year and some may be better suited to your current medical or financial status.

Guard your Medicare Card

Remember that your Medicare card and the information it contains are valuable and often the target of scammers. Guard your Medicare card just as you would a credit card. If anyone ever calls and asks for your Medicare number, hang up immediately. It is a scam.

October Sudoku

How to solve sudoku puzzles

No math is required to solve a sudoku. You only need logic and patience.

Simply make sure that each 3x3 square region has only one instance of the numbers 1-9. Similarly, each number can only

appear once in a column or row in the larger grid. The difficulty on this puzzle is easy.

Lady Putters End Season

Mickey Harrison and Barb Knox with 'Golden Golf Club' plaque

By Barb Knox
Wow! Another season ended on September 26 with perfect weather and several holes-in-one. We had such a great year with several new members welcomed. I am pretty sure they enjoyed themselves as we didn't hear any complaints. We have a great group of ladies, friendly, helpful, and outgoing. The type of people that it is a pleasure to be around. We finished off the morning with our end-of-year ladies' luncheon. Food was provided by Country Cottage. They always do a great job.
After lunch, 11 ladies were given monetary awards for accumulating 10 or more holes-in-one for the season: Sandy Alsbury with 11, Vivian Cameron, 10, Karen Ewing 10, Alice Green 10, Debbie Groth 10, Diane Goldader 10, Elaine Hopfer 11, Darlene Hartley 10, Barb Knox 17, Alice Tvetan 11, and Mickey Harrison 21. Mickey Harrison was recognized for having the most at 21. Her name is being added to the 'Golden Golf Club' plaque. Congratulations to everyone participating this season. Looking forward to seeing all of you again the first Monday of May in 2023.

3 tablespoons minced garlic
2 pounds large sea scallops

Optional:

Get More Fiber for Better Health

Fiber is good for your body, helping to lower cholesterol, keeping you regular and even aiding in weight loss.

Soluble fiber, found in food like oats, peas, beans, and fruit helps lower cholesterol.

Insoluble fiber, found in wheat bran, flour, potatoes, and vegetables like cauliflower, helps to move food through your digestive system.

Fiber also does things you don't regularly talk about such as reducing the risk of constipation, hemorrhoids, and diverticulosis.

Most Americans get only 15 grams of fiber a day instead of the 19 recommended for women and 38 for men. If you're 51 or over, it's 21 grams for women and 30 grams for men.

Adding fiber to a healthy diet may give you increased protection against diabetes, heart disease, and even lower the incidence of kidney stones.

When you add fiber, you also need to add water, since fiber soaks up liquids.

- * Fruits and nuts provide a gram or two per serving, but the Mayo Clinic says pears, apples, raspberries, bananas, and oranges have 3 to 5 grams.
- * Among vegetables, you will get 4 to 5 grams from just a half cup of green beans, squash, baked beans, or sweet potatoes.
- * Some common cereals are good choices. Two shredded wheat biscuits, for example, have 5.5 grams, and a cup of Post Raisin Bran has 7.1 grams.
- * If you really want to catch up on your fiber intake, some products are designed to do just that:

- Kellogg's All-Bran Buds, 1/3 cup, 11 grams
- General Mills Fiber One cereal, 1/2 cup, 4.2 grams
- Post 100% Bran, 1/3 cup, 8.3 grams
- Kashi GoLean, 1 cup, 10.2 grams
- General Mills Fiber One (1 bar), 9.0 grams
- For a snack: 3 cups of popcorn have 3.3 grams.

“Who’s on Third?” Return for 13th Season

by Trudy Fowlks, Concert Coordinator

After a long 2-1/2 yr. hiatus (due to Covid) the popular “Who’s On Third?” community concert series will return in mid October (with a few changes). The biggest change is that the concerts will now be held on the third SATURDAY of the month. They will continue to start at 3 PM and are still being held at Woodburn United Methodist Church. Due to Covid limitations, we will not be serving refreshments. Therefore, the concerts will run straight through from 3 - 4 PM.

The first concert will be held on Saturday Oct. 15th, and will feature Nancy & Roger Wilhite. Woodburn United Methodist Church is located at 700 N. Cascade Dr. (just south of the Cascade Park Retirement complex) here in Woodburn. The concert performance time will run approximately 3:00 to 4:00 PM. All the “Who’s on Third?” concerts are open to the public. A free-will offering will be taken to support this community concert series. For now, we will not be passing the offering plates, but ushers will be stationed at all doors for you to drop your free-will donation into the plate either before or after the performance. We also recommend that you consider wearing a mask if you are concerned about sitting close to other people, since we will not be able to spread out the audience.

Be sure to mark your calendars, invite a friend or neighbor to join you and start your fall off right by enjoying this lively concert. We look forward to seeing you there.

Here is the line-up for the rest of the season:

“Who’s on Third?” Community Concerts held at Woodburn Methodist Church - 3 PM, 700 N. Cascade Dr.

Some People are Like Potatoes

There are those who are content to watch while others think and work. They are called "SpecTators."

Some never help but are gifted at finding fault and telling others how to do it. They are called "CommenTators."

There are people who cause problems by asking others to agree with them that it is too hot, too cold, too sour, or too sweet. They are called "AgiTators."

Then there are people who say they will help, but somehow, they never get around to it. They are "HesiTators."

There are some people who pretend to be someone they are not. They are called "ImiTators."
