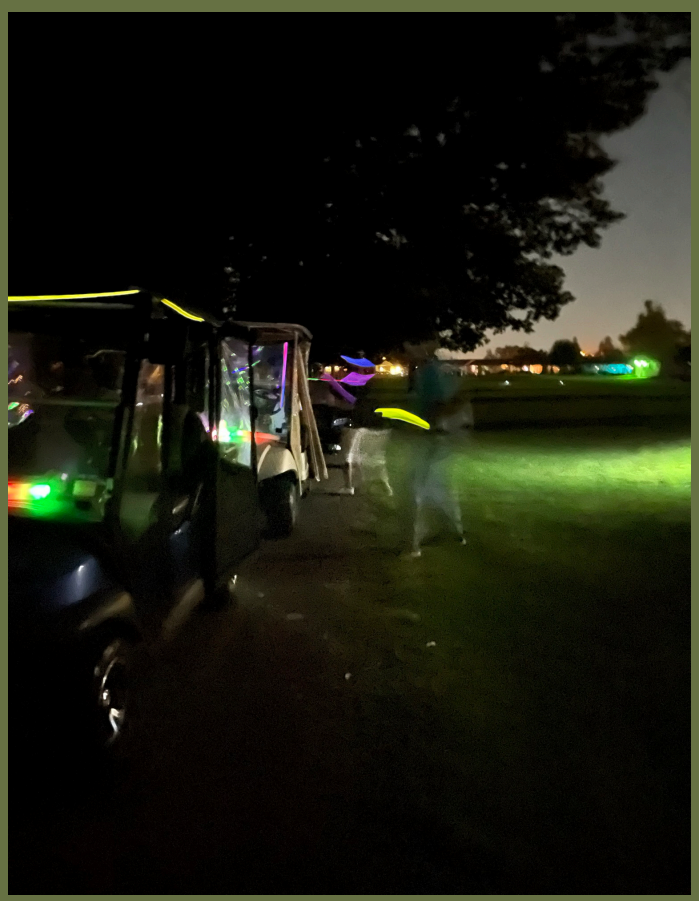
THE GLOW BALL TOURNAMENT

October 7, 2022 | The Pro Shop, Woodburn Estates & Golf | VOLUME 01

The "GLOW BALL" Tournament is 'fun for all' event put on once a year around October at Woodburn Estates & Golf Course. It is a par 27, all par 3's from the yellow tees This golf event is strictly for fun and allows golfers and their partners to attend and enjoy the lighted balls even if they do not golf.

Registration and check in takes place in the Proshop starting around 5;00 pm. There you get score cards and lighted golf accessories. After registration, we get together at the Gazebo for grilled food and drinks and wait for it to get dark. Golfers then play 9 holes in the night with lit up golf balls.



And then....

The Party Moved Indoors

When complete we assemble in the Golf lounge for awards & drawings. We mostly fund the event with entry fees but there are a few sponsors.
The field is limited to 72 players of which mostly are man/women teams, alternate shot. This fun night was organized by Russ Krussow.

Special thanks to Maryann for
her photography work
