## CHANGES TO Annual Garage Sale

The annual community garage sale will take place on Friday, June 23 and Saturday, June 24 from 9:00 a.m. to 4:00 p.m. In previous years, members were asked to sign up and addresses were printed on a map put out in various locations. Unfortunately, not many maps were picked up last year so the Activities Committee is eliminating that feature this year. There will still be some signs put up; however, it is recommended that each house having a sale put its own signage in front of the house and also at the closest intersection.

Additionally, this year will see an indoor garage sale in the auditorium. Anyone wishing to forego the home sale can bring items

to the auditorium with some restrictions. Reservations are necessary. If you would like to reserve a table, contact Jone Drury at 503-961-4809

Additionally, beginning on June 19, there will be a clothing exchange. Bring your gently used clothing to the auditorium between 3 p.m. and 5 p.m. and volunteers will put them on hangers. Then any WEG member may come to take clothing home. This will continue until the garage sale when they will be added to the indoor sale. Men's and women's clothing only. Please NO underwear, socks or children's clothing.

# Woodburn Art Center – Glatt Gallery

By Anne Reslock

I would like to share some history about Woodburn Art Center/ Glatt Gallery. Ray Glatt, a longtime resident of Woodburn, donated his family’s century old farmhouse to the Woodburn Art League in 1976 in memory of his late wife’s passion for the arts. In 1998 the Glatt House was expanded with the building of the Sindberg Edition Studio. This addition provides Open Studio space a spacious classroom for adults and children. Every month a different themed Art Display is hung for viewing in the Glatt Gallery.

The Glatt Gallery / Woodburn Art Center is open Monday, 10AM-3PM, Wednesday evening 6PM-8:30PM and Saturdays 12 Noon-3PM. New classes will be starting soon. Corner of Country Club Road and Boones Ferry Road.

# Home Remedies We'd Rather Forget

Submitted by Connie Doyon – From Trusted Media Brands

For a chest cold: sauté chopped garlic in butter, add milk and a little honey for taste, then drink it.

For a chest cold: rub Vicks on your chest with a piece of flannel over it to loosen the cough.

Cure for a cold: eat a spoonful of Vicks VapoRub dipped in sugar. The label now warns not to eat it.

Cure for a cold: drink a mug of boiled beer. This will make you perspire and soon fall asleep.

For a sore throat: place a crushed spider way back in the mouth.

For an upset stomach: burn a biscuit until it is black, then scrape the black part into a large glass of warm water and drink.

To cure a sty: soak a piece of bread in milk. Lie in the sun with the bread on the sty. It draws out the inflammation.

To prevent worms: turpentine and brown sugar.

For warts: Cut off a chicken's head, then rub the warm blood on the warts. Let the blood dry, then throw the chicken head over your shoulder, and do not look where it landed.

Cure for a wart: scratch a wart until it bleeds, then put a drop of battery acid on it.

Cure for a wart: cut a potato in half and rub it on a wart. Then bury the potato.

Swollen tonsils: strip a chicken feather of all but the tip so it looks like a small paintbrush. Dip the tip of the feather in iodine and use it to reach back into the throat to “paint” the tonsils.

Wounds: cleanse wounds with soap and water, then put turpentine on them.

For boils: boil BBs in milk, strain out the BBs, and drink the milk.

To prevent or remove freckles: get out in the grass in the early morning and rub your nose in the dew.

For the croup: take about eight of those little mold bugs you find under rocks, sew them into a piece of cloth, and tie the cloth around the neck. When the bugs died, the croup was gone in a day or two.

Earaches: place a warm raisin in the ear. The pain eases immediately. In the morning, remove the raisin.

## Volunteers Needed for the Greens Crew

By Dave Rushton

On Saturday, June 17th, at 5 PM in the Golf Lounge I will conduct a meeting to recruit members to assist our greens crew.

If our membership can recruit 3-4 members per green to repair ball marks 5 nights per week, we can add 3 or more hours per day that the greens crew can use to do other needed

functions.

My partner, Bunny Buckwalter, and I will provide beverages for the meeting. It should only take 30-45 minutes of your time and the benefits of your help will be "Off The Charts"!

Please RSVP to: David Rushton (503) 975-2460 (phone or text)

## Month of June: Sous Vide

By Foodies Club

If there is anything that is truly the ‘darling’ of a foodie, it is the cooking method of ‘sous-vide’. Sous vide (pronounced sue-veed) is a French word meaning ‘under vacuum’. The process is to take food and vacuum pack it and then cook it in a precise, temperature-controlled water bath. This produces excellent and predictable results every time. The month of June will be dedicated to learning, practicing, playing, and discovering recipes using this method of cooking. Each Thursday at 11:30 am, the Foodies Club meets in the

WEG dining room for some kind of class. On the last Thursday of the month, there is the Foodies Event of the Month.

This month it will be on June 29th, and it is called:

“Medley of Meats – Selection of Salads”.

This will be from 4 to 6 pm and WEG Members & Guests are invited. Watch for flyers on the bulletin boards in the clubhouse or more details on the Foodies Page of the WEG website (Located under Amenities, Activities & Clubs, Arts & Crafts...Foodies Club).

# Woodburn Estates & Golf – Board of Directors Meeting

## Community Reports - May 23, 2023

### PRESIDENT’S ADDRESS

It has been a somewhat interesting and challenging month since our last board meeting.

We have experienced employee changes, legal matters and a petition campaign.

The Board hosted a Town Hall Meeting on May 13th, and it was well attended. Many points of view were expressed, and questions asked and answered. The overall meeting was a success, and the board is going over the transcripts to see what was said and areas in which we can improve. The Town Hall Meeting will be repeated later in the year.

The board is working hard to meet the needs of the 1508 homeowners. I meet weekly with the management staff to discuss any current issues, what accomplishments have taken place and what our plans are moving forward. I would like to thank Vincent, Debbie and the entire board for their many hours of dedicated service.

President Ken Bourne

**TREASURER/BUDGET COMMITTEE REPORT** - Treasurer Phil Balogh

**Treasurer and Budget Committee Report**

Submitted by Phil Balogh, Treasurer

Fund Balances:

Operating Fund: \$779,722

Reserve Fund: \$672,311

Working Capital Fund: \$603,389

Budget Committee met on May 16, 2023. Allan Lindberg, Mike Hepburn, Connie Watt, Phil Balogh, Debbie Brown attending.

Reviewed April Results.

We were -\$60,855 versus a budget of -\$92,352, so we were positive \$31,496 to budget. Remember, we only make a positive margin in January and July when we receive 75% of our HOA dues.

Year to date \$700,429 to a budget of \$600,324 or \$100,104 positive to budget.

We made our usual review of projections for the remainder of the year. Financials are looking positive, but it is still too early to draw any conclusions.

We have a combined \$1,275,700 in Reserve and Working Capital Funds that can be used for capital projects and repairs.

We discussed freeing up Reserve Funds which I will discuss in “For the Good of the Order”.

Audit report for 2021 is due any day. Letter of engagement has been sent for 2022 financial review.

I am intending to present an update of Pool project costs to date.

**SECRETARY’S REPORT** – Secretary Kim Farquharson

The Secretary would like to report on three items:

1) On May 15, 2023 – Member #40 delivered to my home a petition of ‘no-confidence of the BOD’. I responded at the door of my home that the petition needed to be delivered to the office. Member replied that it was to be delivered directly to the secretary. Because I was not appropriately dressed, and with a headset on my head as was working at my full-time job, I just accepted the petition. She later wrote me an email asking if I would be around in the next two weeks as “there may be more petitions... to turn in in a few days”. Everything was very cordial and respectful on both of our parts, and I have no complaints of any kind.

However, I would like to make a

statement about this. When I am at my residence, I am only a member and owner here as everyone else. If petitions do in fact have to be ‘delivered directly to the Secretary’, please make an appointment and the Secretary will meet you at the office for that to take place. You can also put it in a sealed envelope addressed to the Secretary and the Office will stamp it received and notify the Secretary.

Regarding the petition: It was taken to the office where each page was stamped as received. The 128 signatures were verified, copies were made and sent to each director. There will be a meeting of the BOD to discuss the concerns presented in the petition. This will be an open meeting, with the required advanced notice given. The date is TBD.

2) On May 13, 2023 – The Election Review Committee delivered a report to the BOD. This report will be put on hold until the BOD can meet to discuss proposed changes. Again, this meeting will be an open meeting with the required notice given. The date is TBD.

3) There was a complete transcript of the Town Hall made posted on the Members’ Bulletin Board on the WEG website and the link went out by Bugle Blast. It will also be in the News & Views coming out this Thursday. The feedback for this transcript was very favorable and requests have come in to do it for the Open Mic part of the BOD meeting.

This can be done. However, it is important to understand that it does not become part of the ‘Official Minutes’ of the meeting. The Minutes become a legal document when they are approved and signed. They are a record of what ‘actions were taken’ and not of what is said. It is also important to note that only what is said directly into a mic can be heard so it is important to speak directly into the mic and state name and member # when you start to speak. Obviously, in order to transcribe something, it must be recorded. I wish to mention that Bylaw 5.5-2 states clearly that “Only the Board Secretary or President may record any Board meeting and it is to be deleted after the minutes are published”. Obviously, this is very difficult to enforce as it can be done secretly. But if you are recording the BOD meeting, please note that it is not permitted, and we ask you to refrain from doing so. I have a couple of questions for the BOD which I will bring up at the “For the Good of the Order”. End of Report

**ACTIVITIES COMMITTEE - VP**

Sharyn Cornett - May 23, 2023

The Pancake Breakfast went very well. It was nice to see smiling faces, lots of visiting among the members. We fed about 160 people. The presold tickets worked very well, less wasted food. The sponsors were McCulley Realty and Aspen Handyman Service. Thank you for sponsoring our event.

Future food events will be done this way with presold tickets.

The Community Garage Sale is June 23-24. Some changes for this community event. We will not be registering sites this year or making maps. It was a waste of money for the maps last sale. Very few maps were used. Please advertise the sale on your street with signs. Large community Garage signs will be posted in the neighborhood, but not individual signs.

Another change and experiment this year will be that the auditorium will be open for those who want to sign up for a table to sell their items. Jone Drury oversees this project.

The N/V did not have room in this issue to place her article. You need to contact her and sign up for a spot if you are interested. There are some auditorium rules for this sale.

Country Meadows has agreed to sponsor the Summer Picnic this year on July 22. This will be held in the Auditorium with presold tickets for \$6.00.

The Summer Concert Series will be August 4th -18th -Sept 1st all on Friday nights. This event is free and is outside at the Gazebo. This will be sponsored by Boone Ridge.

Elvis will be here September 17th in the Auditorium. Just bring an unwrapped toy for Love Santa and food for the Aware Food Bank.

That’s it for now! Thank you, Activities Committee

**ARCHITECTURE/RV COMMITTEE** – Director Connie Johnson - May 23, 2023

**Architectural and RV committee report** for May 2023.

Committee members are Jack Cranford, Jone Drury, Gary & Connie Johnson, Larry Osterhoudt, Jack Rhea and Marty Shallenberger.

Our committee is continuing to meet to go over current and outstanding Architectural Requests and Compliance Forms and take action as needed. As of the last meeting we have processed 39 Compliance Forms and completed 25 Architectural Requests with many more due to be completed this June and July. We receive several requests per week.

The RV lot has continued to be a focus of attention in the following areas: drainage, rough roads, and weeds. Plans are to grade and fill potholes in roadways, bring in gravel to spread and pack down in parking spaces and to scope the drainage lines and repair as needed.

There are several lot violations that we are dealing with. We are continuing to reach out to renters who are in violation and in need of help to follow regulations.

**GOLF COMMITTEE** – Co-Chair Ken Bourne/ Co-Chair Phil Balogh - May 23, 2023

**Greens Report**

The operation of the Golf Course has been directly affected by several issues this past month.

The previous month’s rainfall made the grass too wet to mow at times and therefore grow in some areas beyond playable standards. The wet conditions affected scheduling for green and tee box sanding and repair. I would like to report that due to a break in the weather and tremendous effort by Vincent and his short staff, this project has been completed.

The golf course staffing has taken a big hit over the past month, with 2 workers and The Golf Course Superintendent quitting for various reasons, mostly for better pay. There is a wage and employee war going on throughout our nation. There are more jobs than workers and employers are offering more and more, and competition is high.

I would like to give you some good news concerning our golf course operations. During my weekly meetings with Management, I asked them would you like me to call Tim O’Leary, our former Golf Course Superintendent for 25 years, if he could consult with Vincent in areas of concern and possibly help us out. Tim has been great, already going beyond what we asked for in helping us out. I would also like to Thank Vincent, Ron, Charlie, Marty and the rest of his staff for the extra work

and time they have spent getting the course back in shape.

End of Report

House Committee – Director Marilyn Sbardellati

May 23, 2023

I’d like to start by thanking Ron Nelson for filling in for James Taylor while he is on vacation and Charlie Brown for continuing to fill in as our mechanic. Also, thanks to the Monday night Pickleball crew for the pregame clean up and to everyone who came out to help revitalize our clubhouse landscape.

The House Committee met on May 11th.

The restaurant continues to operate under a 90-day agreement and recently passed a Health Department inspection, being only deficient in two core items. I will bring forward the Committee’s recommendations for inclusion in the pending contract. Work began yesterday (May 22nd) on the fire suppression system. The storm water work, involving trenching to a stormwater vault located in the parking lot, was delayed a week.

The city of Woodburn will be closing Hayes St. from May 18th through June 9th. This closure will affect moving necessary maintenance equipment from the Hayes Street Greens building to throughout the course. Maintenance will take appropriate measures to compensate for the closure.

Drainage on the north side of the pool building remains a concern. This should be addressed before the pool subcommittee makes a final decision. Any mitigation planning will include all groups affected, Greens Committee, Lady Putters, Men’s and Women’s golf.

The HVAC that services the News & Views and Conference rooms needs replacement. The cost and timeline for this will be forthcoming.

We will meet again on June 15th.

The Pool subcommittee met on May 4th and May 15th. The Committee began to seek input from the various pool user groups, as to what their wishes are for the pool and spa. A series of exploratory holes were drilled in the pool’s deck. This was done to determine if voids, similar to ones found in other parts of the building, were also under the pool’s deck. Some voids were visible on initial inspection, more information will be forthcoming when this investigation is complete. We want to continue the scoping of the pool’s existing plumbing that our maintenance department began a short while ago.

We are awaiting a financial report regarding the past accumulated pool maintenance expenses. It should be noted, the original cost to build the pool in 1982 was around \$80,000. All funds were raised by members and no money from the general fund was used.

Next pool subcommittee meeting is scheduled for June 1st.

**End of House Report**

**MARKETING/PC COMMITTEE** - Director Sherman Lackey

May 23, 2023

**MARKETING PC COMMITTEE REPORT** for May 9, 2023

The Marketing PC Committee made the following decisions at their May meeting.

In the future all posting on the hallway bulletin boards, opposite the News & Views office, will be policed by the N&V volunteers. Notices will be placed on one of the two boards indicating all postings must be dated and have the posters member number

or the postings will be removed.

Members that place items for sale on the hallway members bulletin board can also have their item printed in the N&V, but the member needs to let the N&V staff know.

We will continue to charge \$150.00 for N&V inserts.

We note that our printer is now using plant-based inks.

**End of reporting**

**HOA CHAIR MARKETING PC COMMITTEE**

**New Members** - Director Marilyn Plowman - May 23, 2023

The new Member Committee has not met yet this month. However, we were busy delivering welcome packets to members who had moved here in the latter part of 2022. New Members who moved here during January, February, and March and were not able to attend the Welcome event at the end of March have

also received welcome packets. We are now working on welcoming new members as of April and May. One of the clubs in our community purchased 20 tickets for the Pancake Breakfast and donated them to our committee to distribute to some new members. One new member received one of these donated tickets. She then attended the Pancake breakfast, joined the Foodies Club AND was on the front-line serving pizzas at Pizza Night last week. Another new member was happy to receive 2 free tickets in order to bring his partner. So far this year, 33 households have been added to our community. Our next meeting will be held tomorrow at 3:00 pm in the Conference room.

**End of Report**

**OPEN MIC SUMMARY**

Comments on Motions as published:

#302 – Motion #2 – clarify

that the limit of 2 per household is speaking to the membership benefits and not number of people living in household.

#441 – Motion #2 - Budget was tabled and never voted on. (BOD Mtg: Nov 22, 2022)

Motion #1 – RV Lot 15% fee set aside in the 2020 Bylaws.

**GENERAL TOPICS:**

#302 – Pool project kicked down the road several times, Question regarding Operation Manager position.

#441 – RV lot fund. \$2450 in it from last year. (BOD Mtg: Nov 23, 2021) Comment regarding Records Request being too much.

#87 – Good idea to publish the notes; not everyone has internet, or phone. What are the rules of checking member numbers at the door? (Bylaw 5.5-1)

#88 – Using personal phone to

pull up information.

#858 – If the fence is open, there is more traffic. Transcript not a good idea. Thank you for making motion for the RV Lot. Please send out any form that has radically changed. Do not be late with the budget.

#858 – Most effective means of communication is News & Views. Door locks – if the light is red, then you must have a door fob to get in. If it is blinking red/green, then it can be opened.

#343 – Like the minutes in the N&V. The amount of making copies, break it into chunks ie: 7.5 minutes.

#609 – The reason why things might not be in N&V, isn't always because there isn't room. Minutes are required to be in N&V.

#914 – Cannot see certain information on website.

#1120 – Fence needs to stay there forever.

Woodburn Estates & Golf – Board of Directors Meeting

Working Capital Fund: .....\$603,389

Budget Committee met on May 16, 2023. Allan Lindberg, Mike Hepburn, Connie Watt, Phil Balogh, Debbie Brown attending.

**Reviewed April Results.**

We were -\$60,855 versus a budget of -\$92,352, so we were positive \$31,496 to budget. Remember, we only make a positive margin in January and July when we receive 75% of our HOA dues.

Year to date \$700,429 to a budget of \$600,324 or \$100,104 positive to budget.

We made our usual review of projections for the remainder of the year. Financials are looking positive, but it is still too early to draw any conclusions.

We have a combined \$1,275,700 in Reserve and Working Capital Funds that can be used for capital projects and repairs.

We discussed freeing up Reserve Funds which I will discuss in “For the Good of the Order”.

Audit report for 2021 is due any day. Letter of engagement has been sent for 2022 financial review.

I am intending to present an update of Pool project costs to date.

Motion to approve Treasurer Report – seconded and approved.

Good of the Order

Discussion of the BOD of topics

- Free up Reserve and Working Capital funds for Reserve Study and other projects. Do we delay spending money in other areas until we have a better idea of what the pool repair is going to cost? The conclusion was that because there will not be ‘hard numbers’ for the pool project for some time yet, we need to release money to deal with smaller projects. We are working on the pool as quickly as we can, but we still need to repair other items.
- Auditorium doors during Board meetings: Do we need to monitor/lock the doors of the auditorium during board meetings? Do we have a lot of non-members who try to come to a board meeting? The conclusion was that this may not be necessary at this point but if it becomes an issue, we will deal with it. At the start of the meeting, the President will make the announcement that the meeting is only for members and any non-members will be asked to leave.
- Using social media to communicate events: Discussion on limitations of space in N&V for things that community needs to know about. What can we do to keep the community informed? Can we use Next Door to announce things in the community? The conclusion was that it was ok to use any media possible to keep people informed. It is appropriate for community announcements and information to out on social media as long as it is not BOD members (as board members) answering questions, getting politically involved. Appointing an admin was mentioned but not further discussed.
- Large Binder Books in the living room. There are a lot of people that go through the living room, and it is a place for the public to see our activities. Can these books be left in the living room for people to look at them? It was mentioned that the paper copy of the N&V does a good job of promoting the community as it travels out the door and extends further and further. There should always be a pile of paper N&V for people to take with them if they choose. No one had any problem with the large binder books being left in the living room for people to look at.
- Gate dividing parking lot – Discussion about leaving gate open more to be more welcoming. Strong and immediate reaction against this.
- Notes on the open mic part of the board meeting: How much of what is said in the meeting by members should be published? Doing a complete transcript is nice to read later but it is very burdensome to

publish. The conclusion seemed to be to just make ‘general notes’ to recognize the members and what their issue is and that can go into the printed newspaper. A complete transcript could be put on the website, but it would only reach a limited number of people.

**Motions**

**Motion #1** Director Connie Johnson - I move to approve up to \$50,000 to be used as needed for the following items in the RV lot this year.

1. Improve drainage in RV lot.
2. Gravel to raise parking spaces and improve roadways.
3. General upkeep

Discussion: This money was already approved in the budget. This motion was withdrawn.

**Motion #2** Director Steve Garner: I move to approve 2023-0523 Fee Schedule for 2023.

**Homeowner Membership**

4-1010	Homeowner	Annual Association Fee .....	\$ 825.00 *

## Finding WEG Tax Information on the WEG Website

By Sherman Lackey, Publications Director

We have recently made some additions to the Woodburnestatesgolf.com website. We have added some of the WEG property tax and income tax information. This page is a work in progress, and not all the tax information you want to see is here right now. We will update the page as we receive tax information for prior years from the Treasurer's office. To find this information on the WEG website:

In a browser go to woodburnestatesgolf.com - Hover over "Members" on the website navigation bar - Click on "The Bulletin Board" - Log into your WEG member account - Select "WEG Property Tax," "Income Tax," or "Records." Choose the tax documentation that you would like to view.

Please address any inquiries about the tax information we currently have for viewing to the Treasurer at [treasurer@woodburnestatesgolf.com](mailto:treasurer@woodburnestatesgolf.com).
