## French Prairie Historical Society 50th Golden Jubilee

The majestic Queen Ann Victorian mansion known as The Settlemier House, has been preserved and maintained for the past 50 years by devoted volunteers known as The French Prairie Historical Society.

Formed in 1971 by members of the Woodburn community dedicated to recognizing and preserving the history of the North Marion County region, The French Prairie Historical Society officially took possession of Woodburn's historical landmark situated at 355 Settlemier Ave. in Woodburn on February 1, 1973.

Since that time, the 1892 home of Woodburn's founder, Jesse H. Settlemier, has played an active role in the community as a living museum, and special occasion venue for community and private affairs.

To celebrate our first 50 years the French Prairie Historical Society is inviting the community to a 50th Golden Jubilee ceremony to be held on the mansion grounds on August 6th, 2023 from 1pm – 4 pm. Refreshments will be served along with a brief program featuring community leaders beginning at 2:00 pm. A short message and RSVP to 503 982 1897 is appreciated.

## News & Views Delivery Reminder

In a letter dated January 12, 2012, from the USPS we received notification that delivery into the mail slots as part of your home is legal if our paper is inserted fully into the slot.

We cannot leave papers in an US Postal Service receptacle of any kind. This information is being provided

### Delivery Mail Slots:

Newspaper cannot be sticking out of the slot.

as information to new homeowners as well as a reminder if you are concerned about delivery of your paper on your steps or porch during bad weather, you may prepare. If you do not want a mail slot, you may install a Non-US Post Office receptacle and label it as News & Views or WEG.

Congratulations to Lori Winterberger for naming our figurine. She won a \$10 gift certificate for Country Cottage.

LOVE, INC is a faith-based organization that helps fill the gaps in giving to folks in our communities. We are contacted on a daily basis to serve those in need-those who have needs for clothing, household items, gas to get to work, are threatened with water shut- off. We provide baby clothes, furniture, car seats, and support families in ways no one else does. We have a wide network of helping agencies to which we provide referrals. The ability to speak Spanish is a plus, but not necessary. If you have a heart for those truly in need, and would like to join a group of dedicated people in helping, give us a call and we will describe what our volunteers do, and answer all your questions! ## What Help Do You Need as a Family Caregiver?

Are you a family member or friend providing unpaid care to an adult 60 years or older or a person living with a disability?

Are you feeling overwhelmed and unsure of the next steps to take as a caregiver to help yourself or your loved one?

If you answered “yes” to both questions, this class is meant for you. The goals of this class are:

- Caregivers identifying and prioritizing their own needs
- Caregivers learning about the Family Caregiver Support Program and other resources and supports to help them on this journey
- Caregivers developing their own “Next Steps to Take” Plan
- Virtual Class 2nd Wednesday of the month from 4:00-5:00 p.m.
- In-Person Class at NorthWest Senior and Disability Services Office in Salem on 1st Tuesday of the month from 1:00-2:30 p.m.

To register, please contact Julie Mendez by phone at 503-304-3432 or by email at [julie.mendez@nwsds.org](mailto:julie.mendez@nwsds.org).

Careful What You Name Your Boat

A Very Short Story By Sherman Lackey

He marveled how the great expanse of the Pacific Ocean looked so peaceful and calm here. He and his girlfriend, Charlotte, had managed to get his 200-foot yacht well out to sea and well away from the harbor. All there was to see, in any direction, was just miles and miles of water. The bottom was deep here too, at least 500 feet.

He and Charlotte decided to go swimming. He brought the yacht to a halt, set a sea anchor, changed clothes and arrived on deck just in time to see Charlotte dive off the fantail and into the water. He ran, dove into the deep but did not see her in the depth below.

As he was about to come up for air, he felt her touch, her caress, in her typical tenderness. He reveled with her embrace, but he really needed to surface for air. The water was getting ever darker here making images very dim. He would forever remember her embrace.

When she dove into the water she saw the beast, made it back to the boat, grabbed a long-handled gaff and attempted to rescue her boyfriend. Charlotte managed to get the yacht to port that afternoon, and with some effort, reported her boyfriend missing.

And that is how they found the Giant Squid half a day later, on the beach, with part of its body missing, latterly, wrapped around the half-eaten body of the owner of the yacht “Catch & Eat”.

# Usage of Bulletin Boards in Clubhouse

There are two bulletin boards in the hallway between the library and the News & Views office. The larger one is for the use of members or clubs of Woodburn Estates & Golf to post items for sale, looking for postings, etc., and upcoming or changes to events This board is EXCLUSIVELY for members. When posting an item, please write your member number and date posted on the item. The posting may stay on the board for a maximum of 30 days. Afterwards, it will be removed. If you want to post again, you can do so with a new listing with a new date. Please note that if postings do not include a date or member number, they will be removed from the board. If a member has a business (handyman, sewing, etc.), the member should use the Business Board.

Members can also post items for sale, free or looking for in the Classified section of the News & Views for free. Submittals must also have a member number. Check the directory or the bulletin board outside the N&V office for deadlines.

The second bulletin board is for businesses to post items. There

is a \$10/month fee to post items on that board, payable in the office. Unpaid items posted will be removed. PLEASE NOTE: If a Woodburn Estates & Golf member is also a member of an outside organization, that outside organization is subject to the \$10 fee. Therefore, if your group is having a sale or concert, etc., it is subject to the fee even though you are a member.

There are free business card racks outside the restaurant where anyone can leave business cards. You are limited to one slot per company unless you advertise in the N&V or the directory. Then you can utilize a maximum of three slots.

The bulletin board outside the office is NOT for advertising. That board is used exclusively for the office and/or the Board of Directors, not clubs or outside businesses.

No flyers or posters can be posted on the windows, doors or anywhere else in the clubhouse.

Please help keep our clubhouse free of needless clutter.

# WOODBURN FIRE DISTRICT

## Mutual Aid Fire Partnerships

Woodburn Firefighters are off to a busy start in the month of July with high temperatures, low humidity, and wind increasing the risk of fire. To meet the increased demand for fire protection, Woodburn career and volunteer firefighters have been assisted by neighboring fire districts through mutual-aid agreements.

On July 4th, the fire district responded to three overlapping residential fires between 10:00 and 10:17 pm all which were started by fireworks. Woodburn’s career and volunteer firefighters were assisted by fire crews from Keizer, Hubbard, Mt. Angel, St. Paul, Aurora, Monitor, and Marion County District 1. All three incidents that had the potential of fully involving the homes with fire were quickly brought under control with minimal damage.

On the afternoon of July 14th a 2-alarm commercial fire affected two businesses on 99E in Woodburn. The fire started in a storage building adjacent to the rear of the Raven Tavern and Solo Screen Printing and quickly spread into the businesses before it being brought under control. Woodburn’s career and volunteer firefighters were assisted by firefighters from Hubbard, Monitor, Canby, Mt. Angel and Marion County District 1. The cause of the fire is still under investigation.

Fire districts throughout Marion County have long-standing auto-aid agreements in which all of the districts commit to automatically providing assistance to each other. The reciprocal agreements allow outside fire districts to quickly answer the call for help for the protection of life and property whenever needed.

In a statement released shortly after the Fourth of July fires, Woodburn’s Fire Chief Joe Budge thanked all the neighboring fire district’s that came to the aid of Woodburn residents, “Without the immediate help from our neighbors, we would not have been able to quickly bring these fires under control. The assistance provided is in keeping with the finest traditions of the fire service and allowed Woodburn firefighters to continually provide

the high level of fire protection and life safety that the residents of the fire district expect and deserve”.

For the fires that occurred on July 4th and 14th, the Woodburn Fire District had two crews of career firefighters on-duty that responded from the district’s main station on Newberg Hwy and Station 22 on James

Street just west of Highway 99E in Woodburn. The fire district began staffing Station 22 with firefighters on a part-time basis earlier this year. “Having both fire engines staffed dramatically improved the ability of the fire district to quickly extinguish the fires earlier this month. Increased staffing improves the safety of both the residents and the firefighters”, commented Chief Budge. The district plans to incrementally increase the staffing at Station 22 starting later this year as additional tax revenue comes to the district from the extensive residential and industrial

development that is occurring in the fire district.

During the hot dry summer months, the Woodburn Fire District would like to remind all residents to exercise caution with all ignition sources by following a few simple fire safety tips:

- Place barbeque grills well away from siding and decking and out from under eaves and overhanging branches. Do not use open flame grills on wood decks.
- Clean outdoor grills after each use to avoid the potential of grease fires.
- Allow barbeque coals to cool before disposing of them in a metal container.
- Remove all flammable materials such as woodpiles and propane tanks within 30 feet of your home.
- Clear leaves and debris from roofs, gutters, porches and decks.
- Outdoor fireplaces and fire pits should not be used during burn ban days and should be placed at least 10 feet away from your home or anything that can burn. To find out if a burn ban is in place, contact Marion County’s burn line by calling (503) 982-0011.
