Pickleball Tournament

Pickleball players, Nancy & John Hill & Miki & Rick Irish

The Activities Committee sponsored two pickleball teams to represent Woodburn Estates & Golf at the first ever tournament held at Fiesta Mexicana last weekend. The committee paid the entry fees and bought the tee shirts they wore.

There were many teams entered not only from Woodburn, but the surrounding cities such as Silverton and Salem. Our team was entered in the Over 60, 3.0 players. Rick and Micki Irish took second place. John and Nancy Hill placed third.

Website Updates to Woodburnstatesgolf.com

by Sherman Lackey, Publications Director

We have added some new information to our WEG website available in the members area. To view the updates log into the members area, using your WEG login. Once you are in your members account you can find:

- 1. The Paycheck Protection Program documents, which are in the same area as the property/income tax information (and is plainly listed).
- 2. On the drop-down menu under bulletin board, once you are logged in, you will see a 'Reports from the BOD' where we have placed the 2022, and January to July 2023 standing committee reports. These are searchable documents.

The updating of the Woodburnstatedgolf.com website remains a work in progress.

OUT & ABOUT

- Construction has begun on a house at Rainier and Country Club. That lot has been vacant since ODOT removed 2 homes for the highway 214 remodel in 2013. It will be interesting to see what it will look like in an area built in the 1960's.
- Construction has not yet begun on the Chick-Fil-A restaurant on Hwy. 219 and Woodland Drive next to the Hilyer Ford dealership. From articles on-line and in the WOODBURN INDEPENDENT, it is apparently a drive-through only. It is still under design review with the City of Woodburn.
- Construction has been moving along quickly on the Taco Bell adjacent to Safeway. It looks about 2/3 finished.
- There is a conditional approval for remodeling the LaQuinta Motel on Arney Road and making it into a Holiday Inn Express.
- The U-Haul conditional plan for a facility on Stacey Allison has been denied. The Unitas Community Credit Union building to be erected behind the Burger King on Stacy Allison has been approved, but not yet begun.
- There are several new subdivisions and apartment complexes either being planned/approved or already under construction.

CRAFT FAIR

We are having an organizational meeting on Saturday, August 26th at 2:00pm in the blue room.

We are looking for volunteers to join the Craft Fair Committee. We need help with handing out tickets at the door, kitchen help, advertising, door prizes and signage. We could really use your help!!!

We are not signing up for tables at this time. Table signups will be Saturday September 9th at 2:00pm in the blue room.

Questions call Jone Drury 503-961-4809

Reminder: New Business Deadline

By Secretary Kim Farquharson

Just a reminder that if you wish to have any items be placed on the agenda at the annual meeting, you must have them to the Secretary by August 30. This will allow the Secretary to include them in the agenda and meet the deadline of the News & Views of August 31, to be published September 8th. Bylaw 4.4-10 explains the rules of how they must be formatted. It must be a motion 'concisely stated', addressing only one subject, and not in conflict with Oregon laws or our own governing documents. It must be delivered to the Secretary in time for 'notice and publication at least 60 days prior to the meeting.

New Volunteers Needed for Memorial Rose Garden

By Mike Dalzell

Linda Woelke and I assumed responsibility for the memorial rose garden from Leonard Schmidt over three years ago and now the time has come for us to relinquish that responsibility. We will still continue to be part of the pool of volunteers that maintain the rose garden, but the time has come for another WEG resident to take our place.

We have some historical documentation, receipts for supplies purchased and placard stands to pass along as well as a list of volunteers and phone numbers. If you are interested, please contact Mike Dalzell at (360) 552-5872.

New Club in WEG - TOPS

Anyone interested in losing some weight? TOPS Chapter 0544 Woodburn is moving to the Estates. TOPS is a weight loss and maintaining goal weight group. TAKE OFF POUNDS SENSIBLY has been around for 75 years.

Our chapter meets on Thursday at 4:30 p.m. for weigh in and a meeting after at 5:00 p.m. We will begin meeting in the dining room beginning 9/7/2023. Your first meeting is free, then if you join, membership is for a year at a time. For more information call Charlotte King at 503-550-1556 or Suzanne Buschert at 503-559-6678.

MEET THE ARTIST

SEPT 10 – FEATURED ARTIST

Bob Reslock

4pm in our Living Room Gallery

By Anne Reslock

Woodburn Art Center/Glatt Gallery featured artist for September is Bob Reslock. A solid member of Woodburn Art Center for five years, Bob has found his niche for pet portraits. Dogs, cats, birds, lizards and occasionally historic buildings. This past year he has ventured to doing portraits of his grandchildren. Bob started drawing in his youth, laid it aside only to start again at 80 years of age. Now he works in pastels and watercolor, painting people's beloved pets.

Mark your calendar for Bob's reception, SUNDAY SEPT.10th at 4PM in Country Cottage living room. Refreshments will be served.

Join us every Monday 10AM–3:30PM and Wednesday Evening 6PM–8:30PM for OPEN STUDIO, corner of Boones Ferry Road and Country Club Rd.

The Mountain

If the mountain seems too big today
then climb a hill instead,
if the morning brings you sadness
it's ok to stay in bed.

If the day ahead weighs heavy
and your plans feel like a curse,
there's no shame in rearranging,
don't make yourself feel worse.

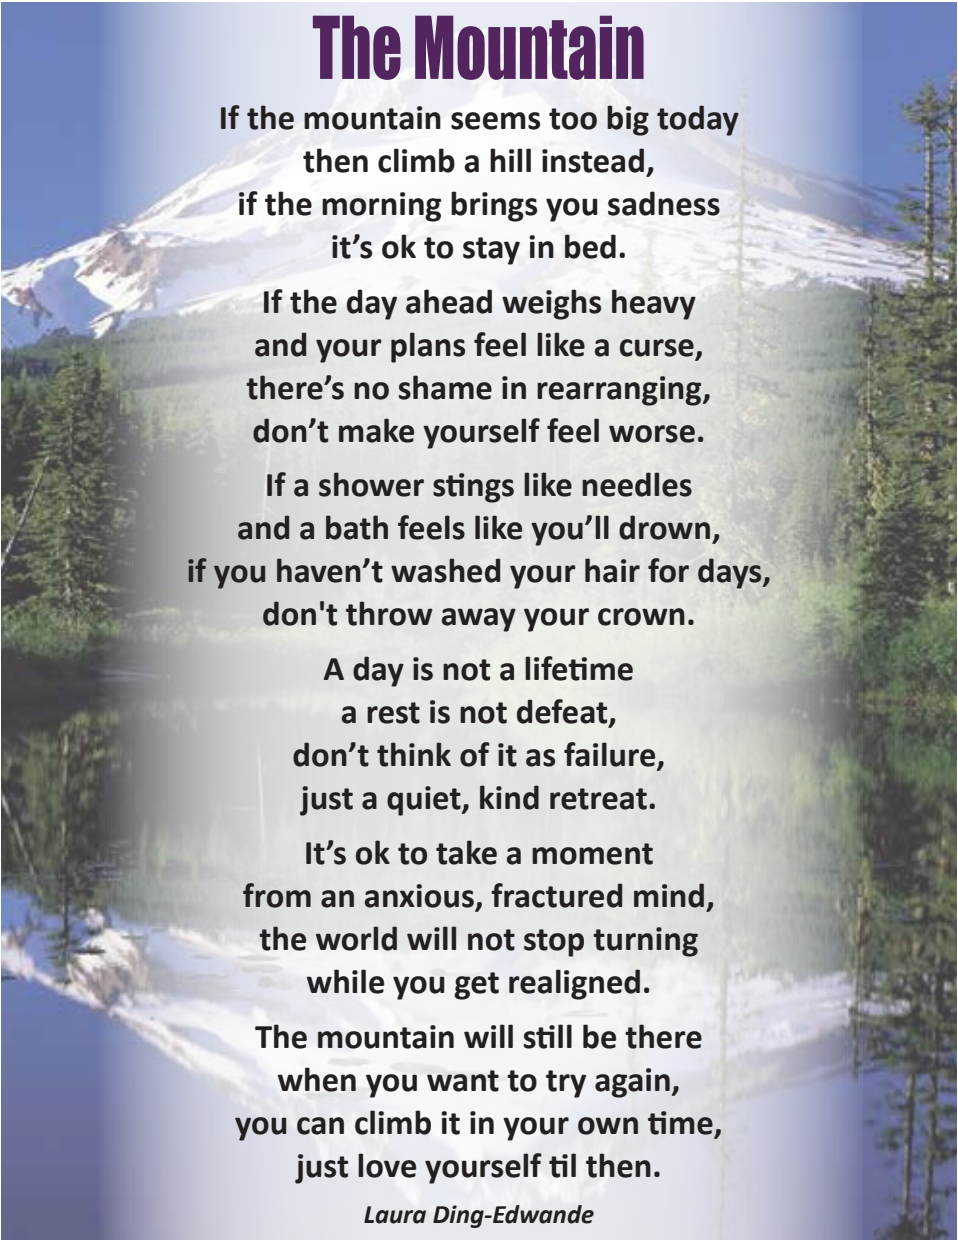

If a shower stings like needles
and a bath feels like you'll drown,
if you haven't washed your hair for days,
don't throw away your crown.

A day is not a lifetime
a rest is not defeat,
don't think of it as failure,
just a quiet, kind retreat.

It's ok to take a moment
from an anxious, fractured mind,
the world will not stop turning
while you get realigned.

The mountain will still be there
when you want to try again,
you can climb it in your own time,
just love yourself til then.

Laura Ding-Edwande

ATTENTION TO ALL MEMBERS:

There have been reports of thefts in our usually safe neighborhood. There seems to be people “casing” the area to see if houses are vacant or not currently lived in, such as those people who spend part of the year somewhere else or even are gone on vacation.

There have been reports of unknown people in members’ backyards and of thefts from cars left on driveways or on the street. There was a recent report of someone actually siphoning gasoline from a truck parked on one of our busier streets. If you have a locking gas cap, use it. If you don’t have one, look into securing one.

Please protect your property. If you are going to be gone, alert your neighbors so that they will watch for any suspicious activity. Leave a key with someone trustworthy to check inside occasionally. Don’t leave any clues that you are gone like newspapers in your yard or porch or an uncut lawn.

If you leave your vehicle outside (and with our small houses, many of us use our garages as storage), please lock your vehicle. Even be a bit paranoid and double check that it is locked before you retire for the night. Have a security light, either on constantly at night or motion-activated for your front and back yards. (Be polite to your neighbors and make sure the lights don’t shine in your neighbor’s window.)

Also, know when you are expecting a package to be delivered. Be home to receive it or ask a neighbor to look for it and take it off your porch. There have been reports in the general area, not necessarily ours, that “porch pirates” are stealing packages, Amazon packages in particular. They evidently follow the Amazon delivery trucks.

It’s a shame we have to be so vigilant, but the old adage, “better to be safe than sorry”, is still relevant today.

DO YOUR MEDICAL NEEDS REQUIRE ELECTRICITY?

JOIN OUR MEDICAL CERTIFICATE PROGRAM.

Apply to the PGE Medical Certificate program so we know who you are and can support you with:

- Outreach from PGE Advisors during outage events and Public Safety Power Shutoffs
- Support in building an outage back-up plan
- Coordination and information sharing with helping agencies and emergency services for critical unmet needs
- Specialized team to help with more flexible billing and payment arrangements throughout the year

Who’s eligible?

Anyone whose qualified medical provider can affirm their electricity need due to a medical condition, including:

- Customers with medical equipment (such as oxygen) or a medical need for electricity (such as a fridge for insulin)
- Customers who have extreme health risks and mobility concerns

How do I enroll?

Download the Medical Certificate application.

Your qualified medical provider (MD, nurse practitioner, physician's assistant) must fill out the application.

Once completed, follow the instructions on it to return it to us.

The Medical Certificate program does not:

- Prevent disconnection if you don’t pay your bill or call us to make arrangements.
- Provide a discount on your electric service
- Mean your power is restored first in an outage, so it’s important to have a plan in place.

The Medical Certificate Team is available at 503-612-3838, Monday through Friday, 8 a.m. to 5 p.m. to answer questions about the program

When your medical needs require electricity, being accepted to this program is an important first step.

Whether new to the program or renewing, we’re here for you and have a dedicated team to work with you.

While the program offers more flexibility to pay your bill, it’s vital that you make payments on time, so your service doesn’t get disrupted. A few important things to remember:

- The Medical Certificate program does not prevent disconnection if you don’t pay your bill or call us to make arrangements.
- There is no discount on your bill while in the program.
- If there’s an outage, we work to restore power as quickly as safety allows. However, being in the program does not mean your power is restored first. If an outage occurs, be sure to have a plan in place.
- If you’re new to the program, you may

qualify to renegotiate any current payment plan. Give us a call within 20 days of receiving your enrollment confirmation to discuss your options.

- If you move, contact us as soon as possible to transfer the certificate to your new address.

The Medical Certificate Team is available at 503-612-3838, Monday through Friday, 8 a.m. to 5 p.m. to answer questions about the program.

LET’S START WITH A PLAN

By putting together a plan now before an outage occurs, you can help protect your health and safety. Use this checklist to create a plan that works for you and your medical needs. Be sure to keep it in a familiar place for easy access.

1. Who do you know?

Make a list of three emergency contacts. These should be friends or family members that you share your plan with.

Name _____

Contact _____

Name _____

Contact _____

Name _____

Contact _____

2. Be prepared

Your outage kit should include:

- ☐ Battery operated flashlights and lanterns. Do not use candles.
- ☐ Storage container for supplies that has wheels, if possible.
- ☐ Emergency medical supplies labeled with large print or braille.
- ☐ Equipment and assistive devices, like wheelchairs or walkers, labeled with your contact information.
- ☐ Ice or frozen cold packs in a small ice chest to store medicines in.

- ☐ Batteries and power banks for your assistive devices.
- ☐ Food and water supplies for up to 72 hours.
- ☐ Blankets and extra clothing.
- ☐ Extra money and the documents you’ll need to secure Social Security and other regular benefits.
- ☐ Emergency kits for your pets/service animals.

3. You’ll need backup

If you have equipment with battery backup capability, make sure the battery pack is fully charged. Use a surge protector for life-support equipment. Consider owning a home generator and ensure you have a thorough understanding of how to use it. While some equipment has built-in backup systems, the backup period may not be long enough to cover an extended outage.

4. Where to now?

Plan where you will go in the event of an extended power outage. This could be a neighbor or friend’s home, or a hospital where you can receive the medical care you need. Don’t forget to take any special medical equipment and medications with you.

Place _____

Name _____

Contact _____

5. Arrange transportation

If you need to leave your home to seek refuge during an outage, it’s good to have a couple of options for transportation and let your contacts know under what circumstances they should come and get you.
