Official Publication of Senior Estates Golf & Country Club - Active 55+ Community in Woodburn, OR

Welcome Lori

The front office has a new employee. Lori Larson has agreed to come and work part-time in the front office. Lori comes to us from California but is a graduate of Portland State with a degree in Social Science. She has an extensive work history in dealing with the public. Lori says she enjoys working with our generation of people. Lori is active and likes to do quilting and lots of other crafty things to fill up her time. She lives with her dog, Carmen, and is often seen out walking her in Woodburn. When you have a chance be sure to stop by the office and welcome her.

Cleanup Required on Golf Course

Last week, Mother Nature demonstrated her power with strong winds that caused damage to the trees on the golf course located between the 13th and 14th holes. It's always heartwarming to see the dedication of our maintenance staff who are always ready to jump into action when the need arises. We can't thank them enough for their tireless efforts in removing the fallen branches and keeping our surroundings safe and tidy. A big shoutout to our amazing team.

Let's Talk about Coffee Hour

Fire Chief Joe Budge and Fire Division Jim Walker were at Coffee Hour March 7 to give information about how we could save lives if we were able to do CPR. Afterwards, Lon Eckdahl kept the crowd laughing with his array of jokes.

Coffee Hour is a wonderful weekly event that takes place in our community every Thursday morning. It's an opportunity for everyone to gather together, share a cup of coffee, and enjoy a donut while socializing. Newcomers are always welcome, and it's a great chance for them to introduce themselves and get to know everyone else in the community.

Each Coffee Hour event is carefully planned with a variety of entertainment options, ranging from game shows and trivia questions to local singers and talent shows featuring community stars and performances by students from nearby schools. At the beginning of each month, we celebrate the birthdays and anniversaries of that month.

So if you're looking for a fun and friendly way to connect with your community, come join us for Coffee Hour every Thursday morning! It is \$2 and comes with a ticket for a door prize given out each week.

Coffee Hour entertainment for March 28 will be Trivia. It is also the last Thursday of the month and on that day, if you bring a donation for the food barrel, you receive two door prize tickets.

A Time of Refreshing

You Are Invited to “A Time of Refreshing.” The 2nd and 4th Tuesday of each month from 2pm–3pm has been set aside in the Blue Room as a time and place to rest and refresh the soul.

Are You Fit for Eternity?

Many people work hard to become fit and use machines to get them to their goal.

Others notch it up quite a bit and become the machine. These are the CrossFit folk.

Becoming physically fit in this life is important. However it is so much more important to get fit for eternity.

The good or great news is that Jesus has already done the work-out for you.

Jesus was crucified and subsequently raised from the dead so you could become spiritually fit to live with Him for all of eternity.

You become **Fit** when you choose to put your trust and hope in Jesus.

Many of us in the estates, statistically speaking, live on the edge of eternity. Will you spend your eternity with or without God? The choice is yours.

— from A Time of Refreshing.

We live in increasingly difficult times that bring many challenges that can stress and wear us all down. This time is meant to be a moment to pray together and give words of encouragement. Don't try to carry your burdens alone. Be kind to yourself and enjoy a Time of Refreshing with like-minded folks in our community!

Needlecraft Group

Every Tuesday, a delightful group meets together in the card room. They are the Needlecraft Group, organized by Mary Snead. Mary is working on a project to knit adorable little bears with overall pants. When asked if she sells her creations, she replied that unless you are her grandchild, you would never be able to afford one! This is a fun group to be a part of.

Fabric Quilting Arts Group

“For the Love of Fabric” group is moving back to Mondays, 1:30pm to 4:30 pm in the dining room. So many of our group had prior commitments on Wednesdays and we have missed these folks. So, by moving back to Mondays, we hope they can come and join us again. This is a fiber arts groups with different items, including rug hookers, machine sewing, hand sewers. The large tables can be used for pattern cutting, basting quilts together all while visiting, smiling, and making new friends. We would love to see you all on Mondays.

Men’s Golf Club Monthly Meeting

March 6, 2024

The Men’s Golf Club of Senior Estate Golf & Country Club met for its monthly meeting on March 6, 2024, at 10:00AM in the Dining Room. President Fred Bourne called the meeting to order at 10:03AM, followed by the Pledge of Allegiance. All officers and committee chairmen/representatives were present unless otherwise noted. There were 19 members in attendance.

PRESIDENT’S REPORT: No report by Fred Bourne, who deferred to the Rules Committee report.

RULES COMMITTEE REPORT: Dave Schuur reported about the lost ball rule considering the current course condition of long grass (and water) in the rough. Also, when “Lift, Clean and Place” is in effect, the ball can be moved six inches maximum. Our club’s “local rules” explain exceptions to the normal rules and even have “temporary” rules depending on weather conditions. A copy of the Local Rules is available at the Pro Shop. The Rules Committee (Fred Bourne, Dave Schuur and Marty Smith) is working on a revision.

VICE-PRESIDENT’S REPORT: Mike Archer reported about the golf sale that is scheduled to take place on Saturday, March 9 in the golf lounge. Donations of used equipment are encouraged. Funds will be used to purchase pull carts for rent.

TREASURER’S REPORT: Dean Cullison reported the end of February balances: Checking account: Ending balance of \$5,525.75 (including \$651.50 in the 50/50 fund). A bill of \$4,592 to the OGA is outstanding and will be paid this month. Voucher account: Ending balance of

\$786.90. The Treasurer reported 113 current members.

SECRETARY’S REPORT: No report by Steve Kufeldt.

GREENS COMMITTEE REPORT: Steve Garner reported that an additional employee is being sought for the golf pro shop. He has contacted the USGA about an agronomist to advise our course on water drainage improvements. Improvements to the paved pathways are being considered. The selection of a golf superintendent is ongoing, but the availability of qualified persons is very limited at this time.

HANDICAP COMMITTEE REPORT: Marty Smith reported that March 1 was the beginning of mandatory posting of scores. The weekly Men’s Club play will include “postable” tournaments at the beginning of the month and “fun” (non-post able) tournaments will be scheduled for the end of the month.

MIXED TOURNAMENT: No update.

SUNSHINE COMMITTEE REPORT: Chuck Johnson was not present but it was reported that cards are needed for Don Gienger and Jim McBride.

OGA COMMITTEE REPORT: Dave Rushton reported on upcoming OGA events.

UNFINISHED BUSINESS/NEW BUSINESS: None.

FOR THE GOOD OF THE ORDER: None.

50/50 DRAWING: \$41 worth of tickets were sold. Dick Hass won half of the pot (\$21).

It was duly moved and seconded to ADJOURN the meeting at 10:50AM. The NEXT MEETING of the Men’s Golf Club will be Wednesday, April 3, 2024 at 10:00AM.

Respectfully submitted, Steve Kufeldt, Secretary

Golf Equipment Sale was a Success

Thanks to the hard work of the Woman’s Golf Club and the generosity of the community, and for all who came and took part in the Golf Equipment Sale, it was a great success. Thanks to everyone, we now have a couple of new push carts that were bought with the profits.

12 BASIC ETIQUETTE RULES OF GOLF

FOR THE LOVE OF GOLF & GOLF FRIENDS

01/15/2024

- 1) Be respectful of other golfers and staff.
- 2) Silence cell phones. Use only if necessary.
- 3) Don't talk or make noise while another golfer is taking their shot.
- 4) Don't stand in another golfer's line of sight when they are about to take their shot. Stay off the tee box when another golfer is hitting their drive.
- 5) Don't step on another golfer's putting line without asking permission.
- 6) Don't move around or in front of another golfer who is taking their shot, either on the fairway or on the green. When approaching the green, wait to mark your ball until everyone is either on the green or you have been asked to mark a ball in someone's path to the hole. Marking a ball on the green is only critical when our ball is in the path of another golfer's shot. It is the responsibility of the golfer making a shot to make sure they will not hit another golfer's ball at rest on the green.
- 7) Pre-swing practice routines are common and acceptable. Choose a routine that is quick and easy.
- 8) Repair any divots you make on the fairway and ball marks on the greens.
- 9) Rake the sand bunkers after you make your shot.
- 10) Generally, play order is determined by farthest player from the hole but, while respecting other rules and other golfers, it is appropriate to play Ready Golf* to keep a good pace of play. Be patient, but ready to play.
- 11) Move from the green to the next tee box before recording scores to allow the following group to make their shots into that green.
- 12) You can congratulate each other and make small talk before and after the game or between shots. Enjoy the company of other golfers.

*Ready Golf

Playing Ready Golf simply means that all golfers should be ready to play their ball as soon as possible. While golf etiquette says the person who "won" the previous hole drives first, in Ready Golf if you're ready to go, then step up & hit away.

1) Any player ready to tee off should do so.

2) If it is safe to do so, a player may hit their ball if a player behind is not ready to play.

3) As a player is approaching their ball, they should determine which club to use and, if possible, stand ready at their ball.

4) On the green, a player may putt their ball if no one further out is ready to putt.

That's Ready Golf!

IMPORTANT INFORMATION

Please pay close attention to all the instructions provided on the golf course and follow them precisely. For example, when the sign reads 'Cart Path Only,' it is essential to keep your golf carts only on the paved paths. Please note that these instructions are mandatory and not optional.

If you are walking on the course, kindly sign in at either the Pro Shop or the QR code. As the weather improves, we are monitoring the number of people who utilize this amenity. The number of sign-ins will determine whether we need to revisit the walking program.

Please remember to treat our staff with respect. If you have any suggestions on how they can do their job better, kindly bring your suggestions to the management team's attention.

on what Garten Foundation will accept to shred, basically office type paper only. They will NOT ACCEPT magazines, file folders, plastics, wrappers, metal clips (small staples are OK), no flammables. Unacceptable items will need to be returned to the person bringing them.

McCully Realty has been here serving The Estates community since they opened their doors in 1974. Not only have they provided real estate services, they have also been faithful sponsors of many events that support the people and activities of The Estates. They have been the primary sponsors for our twice yearly Pancake Breakfast. Not only do they pay the bill for the food, but they come to help greet and seat you. They support our Directory with their back page ad. Our golfers all know them as long time sponsors for the Memorial Day Tournament and the special Over 80 Tournament. They were sponsors of the Snowbird Tourney for many years.

McCully also participates in our events. They regularly have booths at our Resource Fair and our Health Fair, usually offering a healthy snack. Over the years they have contributed prizes and support to events like our Christmas Cart Parade and Portland Golf Show booth. They have contributed to our current history project by offering their archive of the original marketing material for the development.

Many of the McCully Brokers also live within The Estates so they are your neighbors as well. Jim and Jeanie White, owners of McCully, have served the community since 1979 when Jim became our Golf Professional, a position he held for 27 years. They all look forward to seeing you on SHRED DAY!

The Benefits of Raisins

Raisins are healthy sweets that keep energy high. They're one of the oldest foods in human history, but raisins are attracting new attention as an optimal source for steady energy.

Raisins are a top energy source that sustains blood sugar levels longer than other high-energy foods, but don't come with a crash after the energy runs out. If you munch on a donut, you'll be hungry again in a little while. If you munch on a little box of raisins, you won't.

The California Raisin Marketing Board says the list of health benefits associated with raisins keeps growing. In a study done on the effect of raisins on cholesterol, subjects with elevated cholesterol ate a diet high in fiber and low in fats. The diet included raisins, which are shown to contain 4 grams of fiber per one and one-half ounce serving. Those who followed the diet lowered their cholesterol levels and reduced their risk of heart disease.

Other studies show that raisins are rich in antioxidants, which help to prevent heart disease and cancer.

Research sponsored by the World Health Organization shows that raisins are one of the top sources of boron in our diets. Boron has beneficial effects on the bones and the brain and helps to metabolize nutrients like calcium, copper, and nitrogen.

If you want to control your blood pressure, raisins are one of the best snacks for you. They're a good source of potassium, a mineral that has been shown to lower high blood pressure.

One note of caution. Raisins can be toxic to dogs. If your dog has eaten any amount of raisins or grapes, you should go to a veterinarian or animal hospital immediately, even if you do not see any symptoms. So, while you enjoy them yourself, be sure to keep them away from your furry friend.

Macaroni-raisin Salad Recipe

Boil 2 cups of small elbow macaroni and let cool. Add 1/2 cup raisins, 1 cup chopped green onions, 1 cup chopped celery, 1 cup cubed cheddar cheese, 1 hard boiled egg, 1/2 cup low-fat mayonnaise, 1/2 cup sour cream, 1 teaspoon Worcestershire sauce, the juice from 1/2 lemon, and 1/4 teaspoon each dried basil, oregano, and tarragon. Salt and pepper to taste. Chill for 2 hours. Serves 8.

These sounds have vanished

If you are of a certain age, you can close your eyes and hear the sound of a rotary dial phone.

It's one of the common sounds of the beginning of the 20th century that we don't hear anymore.

As a matter of fact, while we can still hear the sound of a phone ringing, we rarely (if ever) hear a busy signal. All calls mainly go directly to voicemail, and it is easy to switch to a different call if one is coming into your cell phone.

Later in the 20th century, it was common to hear the sound of a modem connecting, but this sound is mainly gone. Same with the similar sound of a fax machine answering or connecting.
